In order to determine purchase price, you may upload Proof of Purchase. If you do not provide Proof of Purchase, the purchase price of the Covered Product(s) will be determined by the average retail price for up to six (6) Covered Products claimed per household plus a

10% allowance for sales tax.

“Proof of Purchase” means an itemized retail sales receipt or retail store club or loyalty card record showing, at a minimum, the purchase of a Covered Product, the purchase price, and the date and place of the purchase.

Payments will be issued only if the Court approves the Settlement and the Effective Date of the Settlement occurs.
