**ORDER**

---

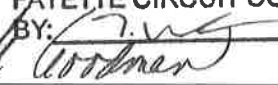

This matter came before the Court on Settlement Class Representatives' Motion for Ruling re Additional Time for Class Members on April 9, 2021, and the Court having heard argument of counsel and being otherwise duly and sufficiently advised, IT IS HEREBY ORDERED that the Motion is GRANTED, and the Court further ORDERS as follows:

- a. Any submission of class-membership documents or W-9 forms that were received by the Settlement Administrator or Class Counsel on or before April 5, 2021 shall be considered to be timely.
- b. Individuals and entities who are listed on the Co-op's confirmed membership list from whom nothing has been received shall be notified via an individual notice that a valid W-9 must be received within forty-five (45) days of said notice. Class Counsel and counsel for the Co-op are directed to work together to obtain any telephone listings for these individuals that may be contained in the Co-op's records.
- c. Confirmed or possible settlement class members who submitted documents on time, but that are deficient, incomplete, or otherwise insufficient to establish class membership (if applicable) or eligibility for payment, shall be notified via an individual notice that

sufficient, complete, and valid documents must be received within sixty (60) days of the date of said notice. At the discretion of the Settlement Administrator, after consultation with Class Counsel, if such additional documents are also deficient, incomplete, or otherwise insufficient to establish class membership (if applicable) or eligibility for payment, then an additional, abbreviated opportunity to supplement the same may be given.

- d. An individual or entity who can establish that they submitted class-membership documents or a W-9 form on or before the January 29, 2021 deadline, but from whom no document has been received, may provide proof of the earlier submission and sufficient, complete, and valid documents to establish class membership (if applicable) and eligibility for payment, to be received no later than the same date valid W-9s are due pursuant to the provisions of subparagraph b. of this Order.
- e. Any other individual or entity from whom documents are first received after April 5, 2021, must establish good cause for the lateness of their submission. At the discretion of the Settlement Administrator, after consultation with class counsel, if documents first received after April 5, 2021, are deficient, incomplete, or otherwise insufficient to establish the submitter's class membership (if applicable) or eligibility for payment, then the submitter may be determined to be ineligible for any distribution of the Co-op's net assets.

SO ORDERED this 14<sup>th</sup> day of April 2021.
