 I am an attorney at Hagens Berman Sobol Shapiro LLP and I am duly licensed to practice before all courts of the State of California. Based on personal knowledge or discussions with co-counsel of the matters stated herein, if called upon, I could and would competently testify thereto.

2. On December 1, 2022, this Court preliminarily approved Developer Plaintiffs' settlement with Google and, in accordance with the Court's schedule, Class Counsel moved on March 1, 2023 for Attorneys' Fees, Reimbursement of Expenses, and Service Awards ("Fee and Cost Motion"). *See* ECF No. 240; *see also* ECF No. 243. On April 3, 2023, Class Counsel became aware that, due to a clerical error, the Fee and Cost Motion had not been uploaded to the settlement website maintained by Angeion, the settlement administrator for this action. Class Counsel promptly advised Angeion of the omission, and the Fee and Cost Motion was uploaded to the settlement website the same day.

3. In an abundance of caution, Developer Plaintiffs believe that an extension of the April 5, 2023 deadline for objections to the Fee and Cost Motion is appropriate to ensure that settlement class members have ready access to the motion, and adequate time to review its contents, prior to lodging any objections. In accordance with this District's Procedural Guidance for Class Action Settlements, the operative schedule sets the objection deadline 35 days after the submission of any motion for fees and costs. *See* ECF No. 233 ¶ 14. Extending the objection deadline to May 8, 2023, as Developer Plaintiffs' accompanying administrative motion proposes, would make objections due 35 days after the Fee and Cost Motion was uploaded to the settlement website, and more than 65 days after it was filed.

4. Extending the deadline for objections (to the Fee and Cost Motion) to May 8, 2023
would not necessitate further modifications to the case schedule, pursuant to which Developer
Plaintiffs' motion for final approval is due May 3, 2023, with a final approval hearing set for May
18, 2023. *See id.* ¶¶ 2, 18. Developer Plaintiffs respectfully request leave to submit a supplemental
brief (not to exceed 10 pages) by May 12, 2023, but only in the event objections to the Fee and
Cost Motion are submitted after Developer Plaintiffs have moved for final approval.

HARRINGTON DECL. ISO ADMINISTRATIVE MOT. TO MODIFY DEADLINES RELATING TO DEVELOPER PL. SETTLEMENT- 1 Case No. 3:20-cv-05792-JD

1	5. Developer Plaintiffs conferred with Google's counsel on April 4, 2023 and April 5,	
2	2023 in accordance with Local Civil Rules 6-3 and 37-1. Google's counsel confirmed that Google	
3	does not oppose modifying the schedule as described in this declaration and the accompanying	
4	administrative motion.	
5	6. There have been no prior modifications of the Court's schedule for proceedings related	
6	to the Developer Plaintiffs' Settlement with Google.	
7	I declare under penalty of perjury under the laws of the United State that the foregoing is	
8	true and correct. Executed this 5th day of April, 2023 at Berkeley, California.
