The Settlement Agreements in these cases presently require payment of Approved Claims within sixty (60) days of March 13, 2021 (the Effective date). That makes the present deadline for payments May 12, 2021.

Under the supervision and direction of Judge Phillips’ staff at Phillips ADR, the Settlement Administrators have worked diligently to process all submitted claims. Unfortunately, due to unanticipated circumstances, the Settlement Administrators do not believe they will be able to meet the May 12, 2021 deadline for payments. Specifically, the magnitude and complexity of the data provided by the Parties and Platforms, unanticipated challenges unifying the data and matching it to filed claims, the implementation of the Initial Claim Determination notification process and the potential time required to resolve any challenges and prepare payments to Approved Claims, taken together, render the May 12 payment deadline unfeasible.

Given these unanticipated circumstances, Judge Phillips recommended that the Settlement Administrators seek a sixty (60) day continuance of the deadline for payment of Approved Claims. The Settlement Administrators agree that such a continuance is necessary, and, subject to the actual volume of challenges received and the amount of time required to resolve said challenges, believe that we will be able to complete payments for all Approved Claims by that revised deadline. Consequently, the Settlement Administrators hereby move the Court to enter the attached [Proposed] Order continuing the deadline for payment of Approved Claims to July 11, 2021.¹

¹ The Settlement Administrators have conferred with counsel for all parties to this action, and no party opposes the motion.

1 Dated: April 22, 2021

Respectfully submitted,
