I. INTRODUCTION

Pursuant to Question 10 of the long form notice (“Notice”) that was mailed to Direct Purchaser Settlement Class Members¹ and posted on the website created for the Settlement with the GEO Settling Parties, www.LiquidAluminumDirectSettlement.com, Direct Purchaser Class Plaintiffs and Interim DPP Lead Counsel submit this proposed plan for distributing the net proceeds of the Settlement to eligible Direct Purchaser Settlement Class Members (the “Plan of Distribution”).²

The proposed Plan of Distribution will allocate the Net Settlement Fund³ based on each Direct Purchaser Settlement Class Member’s *pro rata* share of the total eligible Alum purchases (i.e., Alum purchases in the United States directly from a Defendant from January 1, 1997 through February 28, 2011) claimed in connection with the Settlement. To be eligible to receive a payment from the Settlement, a Direct Purchaser Settlement Class Member must submit a claim to the Court-authorized Settlement Administrator (referred to herein as a “Claimant”). *See* Exhibit A hereto.⁴ The amount of money each Direct Purchaser Settlement Class Member will receive will

¹ Direct Purchaser Settlement Class Members are persons or entities that purchased liquid aluminum sulfate (“Alum”) in the United States directly from a Defendant from January 1, 1997 through February 28, 2011, excluding (1) Defendants and their respective parents, subsidiaries, and affiliates, and (2) any Direct Purchaser Settlement Class Members who timely and validly elect to be excluded from the Direct Purchaser Settlement Class. *See* DE No. 985, at ¶3.

² Capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Settlement Agreement Between Direct Purchaser Class Plaintiffs and Defendants GEO Specialty Chemicals, Inc., Kenneth A. Ghazey and Brian C. Steppig dated June 1, 2018 (“Settlement Agreement”), previously submitted to the Court (DE No. 911-3), and the Notice.

³ The Net Settlement Fund refers to the Settlement Funds less (i) the costs of settlement administration and notice as approved by the Court; (ii) attorneys’ fees and expenses, as approved by the Court; and (iii) Case Contribution Awards to Direct Purchaser Class Plaintiffs for litigating the Action on behalf of the Direct Purchaser Settlement Class as approved by the Court.

⁴ A paper Claim Form was mailed, along with the Notice, to Direct Purchaser Settlement Class Members. Completed Claim Forms must be mailed to the Settlement Administrator, or a claim can be completed and submitted online at www.LiquidAluminumDirectSettlement.com.

depend on: (1) the Claimant's eligible purchases of Alum; (2) the total money available to pay all claims; (3) the total dollar value of all valid claims submitted; and (4) the cost of settlement administration and notice and the amount of attorneys' fees and expenses (including Case Contribution Awards) approved by the Court. In other words, the Net Settlement Fund shall be allocated on a *pro rata* basis based on the total dollar value of each Direct Purchaser Settlement Class Member's eligible Alum purchase(s) in proportion to the total dollar value of all valid claims submitted. If the Settlement is approved, no portion of the Settlement Funds will revert to the GEO Settling Parties.

To compute each Direct Purchaser Settlement Class Member's *pro rata* share of the Net Settlement Fund, the Settlement Administrator, Angeion Group, LLC ("Angeion"), will process each claim submitted, whether by mail or online, and determine the total volume of eligible Alum purchases made by each Claimant. The total purchase volume of eligible Alum purchases for each Claimant will then be divided by the total purchase volume of eligible Alum purchases for all valid claims to arrive at each Claimant's *pro rata* factor. Next, each Claimant's *pro rata* factor will be multiplied by the Net Settlement Fund to determine each Claimant's total recovery amount. This type of allocation methodology has been approved in similar antitrust cases.⁵ This methodology is also consistent with what was set forth in the Notice mailed to Direct Purchaser Settlement Class Members and posted on the Settlement website.

⁵ See, e.g., *Castro v. Sanofi Pasteur Inc.*, 2017 WL 4776626, at *2, 7 (D.N.J. Oct. 23, 2017) (approving proposed plan of distribution which determined *pro rata* shares of settlement fund based on class members' purchases of Menactra); *Mylan Pharms., Inc. v. Warner Chilcott Pub. Ltd.*, 2014 WL 12778314, at *5 (E.D. Pa. Sept. 15, 2014) (same); Final Judgment, *In re Skelaxin Antitrust Litig.*, No. 12-cv-83 (E.D. Tenn. Sept. 24, 2014), DE No. 800 at ¶9 (same).

II. PLAN OF DISTRIBUTION – CLAIMS PROCESS

A. Claim Forms

On August 17, 2018, Angeion, under the supervision of Interim DPP Lead Counsel, mailed the Notice, along with the Claim Form, to Direct Purchaser Settlement Class Members. The Claim Form requests information regarding the Claimant (*e.g.*, name, mailing address and phone number) as well as information regarding the Claimant’s purchases of Alum (*e.g.*, purchase date, quantity purchased and price paid). The Claim Form also requests documentation, in the form of purchase order(s), invoice(s) or other documentation, to support the Alum purchases claimed. The Claim Form clearly states that in order for a purchase of Alum to be eligible for payment from the Settlement, the Claimant must have purchased the Alum directly from a Defendant from January 1, 1997 through February 28, 2011 and the purchase “must have been billed to and/or shipped to a location in the United States.” *See* Exhibit A hereto, at 4.

A Claim Form submitted to Angeion by mail will be deemed timely if it is received or postmarked by December 17, 2018. A Claim Form can also be completed and submitted online at www.LiquidAluminumDirectSettlement.com by December 17, 2018. Claimants with a large amount of qualifying Alum purchases (*i.e.*, more than 20) are encouraged to submit a spreadsheet containing all of their purchases and the other related information as requested on the Claim Form. These Claimants are required to submit a cover letter on company letterhead stating the source of the data provided on the spreadsheet. Although these Claimants are not required to submit the voluminous paper supporting documentation when they first submit their claim, Angeion, upon review of the claim, reserves the right to require documentation from these Claimants for some or all of the purchase transactions provided on their spreadsheet. At Interim DPP Lead Counsel’s

discretion, Claim Forms submitted after the December 17, 2018 deadline may be accepted for processing as long as it does not delay the distribution of the Net Settlement Fund.

Given the staggered timing for the funding of the Settlement proceeds as provided in the Settlement Agreement⁶ and the potential for additional recoveries from and judgments against the Non-Settling Defendants, Interim DPP Lead Counsel will request the Court's authorization to allocate the Net Settlement Fund to eligible Direct Purchaser Settlement Class Members as funds are received.

B. Processing of Claims

All submitted claims will be reviewed and processed by the Court-authorized Settlement Administrator, Angeion. Angeion will first determine whether a claim has been timely received, properly completed (including submission of the necessary supporting documentation), and signed. All timely claims that are properly completed and contain eligible Alum purchases supported by proper documentation will be approved by Angeion.

If a claim is incomplete or otherwise deficient, Angeion will communicate with the Claimant via first-class mail, email, or telephone regarding the deficiency and will advise the Claimant as to what is needed to complete/cure their claim. Claimants will have twenty (20) days from the date they are contacted by Angeion to cure their claim. Claimants that fail to cure an incomplete or deficient claim within the time frame provided will be notified by Angeion, either

⁶ Pursuant to ¶8 of the Settlement Agreement, GEO will use its best efforts to cause its insurers to pay \$6,198,926 directly into the Direct Purchaser Escrow Account within thirty (30) days of Final Judgment ("First Installment"). GEO will make two additional payments into the Direct Purchaser Escrow Account – the first, in the amount of \$1,361,437, on or before the first anniversary of the First Installment, and the second, in the amount of \$3,236,437, on or before the second anniversary of the First Installment. Additionally, although GEO will undertake a marketing process for a Sale commencing no later than thirty (30) days after entry of Final Judgment, there is no date certain for the completion of a Sale or the recovery resulting from it.

by first-class mail or email, that their claim is being rejected and the reason(s) for rejection. Any Claimant that disagrees with the rejection of their claim will be entitled to contest the rejection by submitting a written dispute to Angeion. If Angeion, in conjunction with Interim DPP Lead Counsel, is unable to resolve the dispute, the Claimant's dispute will be presented to the Court for resolution in connection with Interim DPP Lead Counsel's motion for authorization to distribute the Net Settlement Fund.

III. PLAN OF DISTRIBUTION – METHODOLOGY

As noted above, each Claimant's allocated share of the Net Settlement Fund will be in proportion to each Claimant's total volume of eligible Alum purchases (*i.e.*, purchases of Alum in the United States directly from a Defendant from January 1, 1997 through February 28, 2011). The allocation to each Claimant will be based on the information provided on, or with, their claim. To calculate the *pro rata* share of the Net Settlement Fund for each Claimant, Angeion will take the total volume of eligible Alum purchases for that Claimant and divide it by the total volume of eligible Alum purchases for all Claimants. To calculate a Claimant's total distribution amount in dollars, a Claimant's *pro rata* share of the Net Settlement Fund will be multiplied by the total dollar amount of the Net Settlement Fund.

For example, if a Claimant purchased \$500,000 of Alum in the United States directly from a Defendant during the Class Period and the total eligible Alum purchases claimed in connection with the Settlement is \$20 million, that Claimant's *pro rata* distribution would be 0.025% ($\$500,000/\$20,000,000$). To arrive at the total distribution amount in dollars for this hypothetical Claimant, the Claimant's share would be multiplied by the total dollar amount of the Net Settlement Fund. If the Net Settlement Fund is \$15 million, then this Claimant would receive 0.025% (its *pro rata* share) of \$15,000,000, or \$375,000.
