

PROPOSED PLAN OF ALLOCATION

1. The objective of the Plan of Allocation is to equitably distribute the Net Settlement proceeds to those Settlement Class Members who claim to have suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

2. The Plan of Allocation generally measures the amount of loss that a Settlement Class Member can claim for purposes of making *pro rata* allocations of the cash in the Net Settlement Fund to Authorized Claimants. The Plan of Allocation is not a formal damage analysis. Recognized Loss Amounts are based primarily on the price declines observed over the period during which Lead Plaintiffs allege corrective information was entering the marketplace. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts between October 19, 2017 and June 5, 2019, which had the effect of artificially inflating the prices of Mammoth common stock.

3. In order to have recoverable damages, disclosure of the alleged misrepresentations must be the cause of the decline in the price of Mammoth common stock. The alleged corrective disclosures that removed the artificial inflation from the price of Mammoth common stock occurred on March 15, 2019 and June 5, 2019. Accordingly, in order to have a Recognized Loss Amount, a Settlement Class Member who purchased shares of Mammoth common stock during the Class Period must have held such shares through at least one of the alleged corrective disclosures.

4. The entire Net Settlement Fund shall be distributed to members of the Settlement Class, other than the portion of the Net Settlement Fund that cannot be distributed because of prohibitive administrative costs, which remainder shall be donated to a non-sectarian, non-profit organization.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

5. Based on the formulas stated in the tables set forth below, a Recognized Loss Amount will be calculated for each purchase or acquisition of Mammoth common stock during the Class Period that is listed on the Claim Form and for which adequate documentation is provided. All dates are inclusive unless otherwise specified. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, the Recognized Loss Amount for that transaction will be zero.

For shares purchased between October 19, 2017 and March 14, 2019:	
and sold prior to March 15, 2019	\$0.00 (No recognized loss)
and sold between March 15, 2019 and June 5, 2019 (prior to 3:44 p.m. ET) ¹	\$2.42 per share
and sold between June 5, 2019 (at or after 3:44 p.m. ET) and prior to June 6, 2019	The lesser of (i) \$3.80 per share; or (ii) the purchase price per share <i>less</i> \$9.53 per share, the closing price on June 5, 2019
and sold from June 6, 2019 to August 30, 2019	The lesser of (i) \$7.19 per share; or (ii) the purchase price per share <i>less</i> the average closing price per share between June 5, 2019 and the date of sale as stated in Table A below
and held as of the end of closing on August 30, 2019	The lesser of (i) \$7.19 per share; or (ii) the purchase price per share <i>less</i> \$5.76 per share ²

¹ For purposes of this Plan of Allocation, the Claims Administrator will assume that any Mammoth common stock transactions on June 5, 2019 at any price equal to or less than \$10.46 per share occurred after the corrective information was released to the market at 3:44 p.m. ET on that day, and any Mammoth common stock transactions at any price greater than \$10.46 per share occurred prior to the release of the corrective information at 3:44 p.m. ET on June 5, 2019.

² Pursuant to Section 21(D)(e)(1) of the Exchange Act, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” The average (mean) closing price of Mammoth common stock during the 90-day look-back period from June 5, 2019 through and including August 30, 2019 was \$5.76.

For shares purchased between March 15, 2019 and June 5, 2019 (prior to 3:44 p.m. ET):	
and sold prior to June 5, 2019 (prior to 3:44 p.m. ET)	\$0.00 (No recognized loss)
and sold between June 5, 2019 at or after 3:44 p.m. ET and prior to June 6, 2019	The lesser of (i) \$1.38 per share; or (ii) the purchase price per share <i>less</i> \$9.53 per share, the closing price on June 5, 2019
and sold from June 6, 2019 to August 30, 2019	The lesser of (i) \$4.77 per share; or (ii) the purchase price per share <i>less</i> the average closing price per share between June 5, 2019 and the date of sale as stated in Table A below
and held as of the end of closing on August 30, 2019	The lesser of (i) \$4.77 per share; or (ii) the purchase price per share <i>less</i> \$5.76 per share

ADDITIONAL PROVISIONS

6. A Claimant's "Recognized Claim" under the Plan of Allocation shall be the sum of his, her or its Recognized Loss Amounts.

7. The Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in ¶12 below) is \$10.00 or greater.

8. If a Class Member has more than one purchase/acquisition or sale of Mammoth common stock during the Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings of Mammoth common stock at the beginning of the Class Period, and then against purchases/acquisitions of Mammoth common stock, in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

9. Purchases/acquisitions and sales of Mammoth common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of Mammoth common stock during the Class Period, shall not be deemed a purchase, acquisition, or sale of the Mammoth common stock for the calculation of an Authorized Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of such Mammoth common stock unless (i) the donor or decedent purchased or otherwise acquired such Mammoth common stock during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such Mammoth common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

10. The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the Mammoth common stock. The date of a "short sale" is deemed to be the date of sale of the Mammoth common stock. In accordance with the Plan of Allocation, however, the

Recognized Loss Amount on “short sales” is zero. In the event that a Claimant has an opening short position in Mammoth common stock, the earliest purchases or acquisitions during the Class Period shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

11. Mammoth publicly traded common stock is the only security eligible for recovery under the Plan of Allocation. Option contracts are not securities eligible to participate in the Settlement. With respect to Mammoth common stock purchased or sold through the exercise of an option, the purchase/sale date of the Mammoth common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

12. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a “Distribution Amount” will be calculated for each Authorized Claimant, which will be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant’s Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

13. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, nine (9) months after the initial distribution, if Class Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions may occur thereafter if Class Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit organization(s), to be recommended by Class Counsel and approved by the Court.

14. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Class Representatives, Plaintiffs’ Counsel, Class Representatives’ damages expert, Defendants, Defendants’ Counsel, any of the other Plaintiffs’ Releasees or Defendants’ Releasees, or the Claims Administrator or other agent designated by Class Counsel arising from distributions made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Class Representatives, Defendants and their respective counsel, and all other Defendants’ Releasees, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the Plan of Allocation, or the determination, administration, calculation, or payment of any Claim

Form or nonperformance of the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

15. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Lead Plaintiffs after consultation with their damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Settlement Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the Settlement website, www.MammothSecuritiesLitigation.com.
