DEFENDANTS

This case came before the Court to address the Plaintiff's Motion for entry of an Order to begin the "Class Application Period" as defined in the Settlement Agreement on March 5, 2021. After considering the Motion and the arguments of counsel, and being otherwise sufficiently advised in the premises,

IT IS HEREBY ORDERED that the Motion is and should be GRANTED. The Class Action Period shall begin on March 5, 2021, and the Settlement Agreement and the Court's Order granting preliminary approval of February 10, 2021, are modified accordingly. All other consistent terms and conditions of the Settlement Agreement remain in effect and are affirmed herein as if set out in full.

This is a final and appealable Order and there is not just cause for delay of its entry.
