This notice summarizes relief that the Settlement and the Court's Final Approval provides to certain Settlement Class Members who resided in California at the time they bought tickets to Rescheduled or Postponed Events through Vivid Seats. You should have already received another notice related to this case that outlined all Settlement Class Members' rights under the Settlement as well as the relief that the Settlement afforded to all Settlement Class Members. In addition to that relief under the Settlement Agreement, the Court, in granting final approval of the Settlement, ordered that certain Settlement Class Members who resided in California at the time they bought tickets to Postponed or Reschedule Events through Vivid Seats can elect cash payments now under the circumstances outlined below. The Settlement Agreement, the Court's Final Approval Order and the notices you should have already received can be reviewed at www.TicketPurchaseSettlement.com. Judge Robert M. Dow Jr. of the United States District Court for the Northern District of Illinois is overseeing this class action. The lawsuit is known as *Nellis, et al. v.
