BASIC INFORMATION

1. Why did I get this Notice?

The Court authorized this Notice because you have the right to know about the proposed Settlement of this class action lawsuit and about all of your rights and options before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for the benefits, and how to receive those benefits.

The case is known as ***In re: AllTrust Data Breach Litigation***, Case No. CACE-25-014963 (the “Action”), pending in the Florida Circuit Court, Broward County.

The individuals who filed this Action, Jolie Esparza, Rohenan Haynie, Gino Ortiz, Shely Foster, and Scott Smith, are called the “Plaintiffs” or “Class Representatives, and the companies they sued, Valsoft Corporation, Inc. d/b/a AllTrust Networks and Aspire USA, LLC, are called the “Defendants.”

2. What is this lawsuit about?

On or about February 14, 2024, Defendants became aware of suspicious activity related to an Aspire server and that third-party cybercriminals potentially gained access to Private Information. In response, Defendants launched an investigation which revealed that the unauthorized actor potentially accessed data that included the following personal information: name, Social Security number, driver’s license number, date of birth, government-issued identification number, financial account information, and email username and password.

On October 1, 2025, Plaintiffs filed a class action Complaint against Defendants in the Circuit Court of the 17th Judicial Circuit in and for Broward County, Florida, relating to the Data Incident alleging negligence, breach of implied contract, unjust enrichment, violation of California’s Unfair Competition Law, violation of the California Consumer Privacy Act, violation of the California Consumer Records Act, and declaratory judgment.

Defendants do not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Visit www.AllTrustDataIncidentSettlement.com to view the Complaint.

3. Why is this a class action?

In a class action, one or more people called the “Plaintiffs”, or “Class Representatives” sue on behalf of all people who have similar claims. Together, all of these people are called a “Settlement Class” or “Settlement Class Members.” One court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Settlement Class.

4. Why is there a Settlement?

The Plaintiffs and Defendants disagree over the legal claims made in this Action. The Action has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendants (collectively referred to as the “Parties”). The Parties now agree to settle the Action entirely, without any admission by the Defendants of liability or wrongdoing.

Defendants have entered into the Settlement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint and the Data Incident as it relates to it, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to their business operations associated with further

litigation. Plaintiffs enter into the Settlement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation.

The **California Settlement Subclass** includes Settlement Class Members residing in California who were identified as potentially having personally identifiable information accessed in the Data Incident.

The **Data Incident** refers to the cybersecurity incident involving Defendants resulting in the potential unauthorized access to or acquisition of Private Information that took place between February 12, 2024, and February 15, 2024.

6. Are there exceptions to individuals who are included in the Settlement Class?

You may hire your own lawyer at your own cost and expense if you want someone other than Class Counsel to represent you in this Action.

17. How will Class Counsel be paid?

Class Counsel shall apply to the Court for an award of attorneys' fees and costs of up to \$600,000.00, to be paid by Defendants separate from Defendants' obligation to pay Settlement Administration Costs and the Settlement Class Member Benefits to Settlement Class Members.

If approved, the Service Awards shall be payable separate from the Settlement Class Member Benefits.

The Court may award less than these amounts.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you are a Settlement Class member and want to keep any rights you may have to sue or continue to sue the Defendants and/or the Released Parties on your own based on the claims raised in this Action or released by the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from—or “opting out” of—the Settlement. Any Settlement Class Member who does not file a timely Request for Exclusion in accordance with the instructions below will lose the opportunity to exclude himself or herself from the Settlement and will be bound by the Settlement.

18. How do I get out of the Settlement?

Settlement Class members who do not want to remain in the Settlement must submit an out-opt request.

The opt-out request must be personally signed by the Settlement Class member and contain the requestor's name, address, telephone number, and email address (if any), and include a statement indicating a request to opt-out of the Settlement Class. Any Settlement Class Member who does not timely and validly request to opt-out shall be bound by the terms of this Agreement even if that Settlement Class Member does not submit a Valid Claim.

The opt-out request must be mailed so it is postmarked or received by the Settlement Administrator at the address below no later than **March 3, 2026**:

20. If I do not exclude myself, can I sue the Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendants and the Released Parties for the claims that this Settlement resolves. You must exclude yourself from this Action to start or continue with your own lawsuit or be part of any other lawsuit against the Defendants or any of the other Released Parties. If you have a pending lawsuit, speak to your lawyer in that case immediately.

OBJECT TO OR COMMENT ON THE SETTLEMENT

21. How do I tell the Court that I do not like the Settlement?

Settlement Class Members can object to the Settlement and/or Application for Attorneys' Fees, Costs, and Service Awards.

Objections must be filed with the Court, and sent by U.S. Mail to Class Counsel, Defendants' Counsel, and the Settlement Administrator. For an objection to be considered by the Court, the objection must be submitted no later than **March 3, 2026**, and the Settlement Class Member must not have opted-out of the Settlement Class.

For an objection to be considered by the Court, the objection must also set forth:

- a. the objector's full name, mailing address, telephone number, and email address (if any);
- b. all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel;
- c. the number of times the objector has objected to a class action settlement within the 5 years preceding the date that the objector files the objection, the caption of each case in which the objector has made such objection, and a copy of any orders related to or ruling upon the objector's prior objections that were issued by the trial and appellate courts in each listed case;

- f. the identity of all counsel (if any) representing the objector, and whether they will appear at the Final Approval Hearing;
- g. a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any);
- h. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
- i. the objector's signature (an attorney's signature is not sufficient).

Class Counsel and/or Defendants' Counsel may conduct limited discovery on any objector or objector's counsel.

22. What is the difference between objecting and requesting exclusion?

Objecting is telling the Court you do not like something about the Settlement. You can object only if you stay in the Settlement Class (that is, do not exclude yourself). Requesting exclusion (opting out) is telling the Court you do not want to be part of the Class or the Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer affects you.

The Court will hold a Final Approval Hearing on **March 16, 2026 at 9:30 a.m. ET** via Zoom.
