IN THE COURT OF COMMON PLEAS OF THE COUNTY OF CUMBERLAND
9TH JUDICIAL CIRCUIT**

MATTHEW FARST, *individually and on behalf of all others similarly situated,*

Plaintiff,

v.

AUTOZONE, INC. and AUTOZONE.COM, INC.,

Defendants.

Case No. 2024-00002

PROPOSED FINAL APPROVAL ORDER

On July 17, 2025, this Court entered an order granting preliminary approval (the “Preliminary Approval Order”) of the Settlement between Plaintiff Matthew Farst, on behalf of Himself and the Settlement Class, and Defendants AutoZone, Inc. and AutoZone.com, Inc. (“AutoZone” or “Defendants”) as memorialized in the attachment to Plaintiff’s Motion for Preliminary Approval of Class Action Settlement;

On August 15, September 15, September 16, September 23, and September 30 of 2025, pursuant to the notice requirements set forth in the Settlement and in the Preliminary Approval Order, the Settlement Class was apprised of the nature and pendency of the Action, the terms of the Settlement, and their rights to request exclusion, file claims, object, and/or appear at the final approval hearing;

On November 11, 2025, Plaintiff filed his Motion for Final Approval of the Class Action Settlement (“Final Approval Motion”) and accompanying Memorandum of Law and supporting exhibits, and, on September 30, 2025, Settlement Class Counsel filed their Application for

This order/judgment was docketed and sent on 11/25/2025 pursuant to Pa. R. C. P. 236.

Attorneys' Fees, Expenses and Service Awards and accompanying Memorandum of Law and supporting exhibits ("Fee Application"); and

On November 25, 2025, the Court held a final approval hearing to determine, inter alia: (1) whether the Settlement is fair, reasonable, and adequate; and (2) whether judgment should be entered dismissing all claims in the First Amended Complaint with prejudice. Prior to the final approval hearing, Settlement Class Counsel filed a declaration from the Settlement Administrator confirming that the Notice Plan was completed in accordance with the Parties' instructions and the Preliminary Approval Order. Therefore, the Court is satisfied that Settlement Class Members were properly notified of their right to appear at the final approval hearing in support of or in opposition to the proposed Settlement, the award of attorneys' fees, costs, and expenses, and the payment of Service Awards.

Having given an opportunity to be heard to all requesting persons in accordance with the Preliminary Approval Order, having heard the presentation of Settlement Class Counsel and Counsel for AutoZone, having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, adequate, and reasonable, having considered the application made by Settlement Class Counsel for attorneys' fees, costs, and expenses, and the application for Service Awards, and having reviewed the materials in support thereof, and good cause appearing in the record and Plaintiff's Final Approval Motion is **GRANTED**, and Class Counsel's Fee Application is **GRANTED**, and:

IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The Court has jurisdiction over the subject matter of this action and over all claims raised therein and all Parties thereto, including the Settlement Class Members. The Court also has personal jurisdiction over the Parties and the Settlement Class Members.

2. Unless otherwise noted, words spelled in this Order with initial capital letters have the same meaning as set forth in the Settlement Agreement.

3. The Settlement was entered into in good faith following arm's length negotiations and is non-collusive.

4. The Settlement is, in all respects, fair, reasonable, and adequate, is in the best interests of the Class, and is therefore approved. The Court finds that the Parties faced significant risks, expenses, delays and uncertainties, including as to the outcome, of continued litigation of this complex matter, which further supports the Court's finding that the Settlement is fair, reasonable, adequate and in the best interests of the Settlement Class Members. The Court finds that the uncertainties of continued litigation in both the trial and appellate courts, as well as the expense associated with it, weigh in favor of approval of the Settlement.

5. The Court grants final approval of the Settlement, including but not limited to the releases in the Settlement and the plans for distribution of the settlement relief. The Court finds that the Settlement is in all respects fair, reasonable, and in the best interest of the Settlement Class. Therefore, all Settlement Class Members who have not opted out are bound by the Settlement and this Final Approval Order and Judgment.

6. The Settlement and every term and provision thereof shall be deemed incorporated herein as if explicitly set forth herein and shall have the full force of an Order of this Court.

7. The Parties shall effectuate the Settlement in accordance with its terms.

Objections and Opt Outs

8. Zero (0) objections were filed by Settlement Class Members. The Court has considered all objections and finds the objections do not counsel against Settlement approval.

9. All persons who have not objected to the Settlement in the manner provided in the Settlement are deemed to have waived any objections to the Settlement, including but not limited to by appeal, collateral attack, or otherwise.

10. Zero (0) Settlement Class Members submitted timely and valid elections to opt out of the Settlement.

Notice to the Class

11. The Court finds that the Notice Plan, set forth in the Settlement and effectuated pursuant to the Preliminary Approval Order, satisfied Pa. R. Civ. P. 1712 and 1714, the constitutional requirement of due process, and any other legal requirements, was the best notice practicable under the circumstances, was reasonably calculated to provide and did provide due and sufficient notice to the Settlement Class of the pendency of the Action, the existence and terms of the Settlement, their right to exclude themselves, their right to object to the Settlement and to appear at the Final Approval Hearing, and satisfied the other requirements of the Pennsylvania Rules of Civil Procedure and all other applicable laws.

Class Certification

12. For purposes of the Settlement and this Final Approval Order and Judgment, the Court hereby finally certifies for settlement purposes only the following Settlement Class:

All persons residing within the State of Pennsylvania, from two years prior to the filing of this action to the present, who: (1) placed an order on Defendants' website; (2) while Defendants' website was equipped with Session Replay technology; and (3) were not members of the AutoZone Rewards program.

Excluded from the Settlement Class are: (i) Defendants, their officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; and (iii) any judges assigned to this case and their staff and family.

13. The Court determines that for settlement purposes the Settlement Class meets all the requirements of Pa. R. Civ. P. 1702, 1708, and 1709, namely that the class is so numerous that joinder of all members is impracticable; that there are common issues of law and fact; that the claims of the class representative are typical of absent class members; that the class representative will fairly and adequately protect the interests of the class, as he has no interests antagonistic to or in conflict with the class and has retained experienced and competent counsel to prosecute this matter; and that a class action is a fair and efficient method for adjudicating this controversy.

14. The Court grants final approval to the appointment of Matthew Farst as Settlement Class Representative. The Court concludes that the Settlement Class Representative has fairly and adequately represented the Settlement Class and will continue to do so.

15. The Court grants final approval to the appointment of Ari Marcus of Marcus Zelman, LLC, Andrew Shamis of Shamis & Gentile, P.A., and Joseph Kanee of The Kanee Law Firm, PLLC as Settlement Class Counsel. The Court concludes that Settlement Class Counsel have adequately represented the Settlement Class and will continue to do so.

Award of Attorneys' Fees, Costs, and Expenses and Service Award.

16. The Court has considered Settlement Class Counsel's Motion for attorneys' fees, costs, and expenses, and for a Service Award.

17. Pursuant to Rule 1717 and applicable caselaw, the Court awards Settlement Class Counsel \$348,803.35 as an award of reasonable attorneys' fees and in reimbursement of reasonable expenses in accordance with the Settlement. The Court finds this amount of fees, costs, and expenses to be fair and reasonable in light of: (1) the time and effort reasonably expended by Settlement Class Counsel in the litigation; (2) the quality of the services rendered; (3) the results achieved and benefits conferred upon the Settlement Class; (4) the magnitude, complexity, and

uniqueness of the litigation, and (5) the fact that Settlement Class Counsel provided their services on a contingency fee basis. This award of attorneys' fees, costs, and expenses shall be paid in accordance with the Settlement. This award of attorneys' fees, costs, and expenses is independent of the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement.

18. The Court grants Settlement Class Counsel's request for a Service Award and awards \$2,500 to the named Plaintiff Matthew Farst.

19. The Court finds that this payment is justified by Plaintiff's service to the Settlement Class. This Service Award shall be paid in accordance with the Settlement.

Other Provisions

20. The Court finds that these payments are justified by their service to the Settlement Class. These Service Awards shall be paid in accordance with the Settlement.

21. Within the time period set forth in the Settlement, the relief provided for in the Settlement shall be made available to Participating Settlement Class Members, pursuant to the terms and conditions of the Settlement.

22. As of the Effective Date, the Settlement Class Representative and all Settlement Class Members on behalf of themselves, their respective heirs, assigns, executors, administrators, representatives, agents, partners, predecessors, successors, attorneys, assigns, and any other person purporting to assert a claim on their respective behalf, release and discharge all Released Claims, including Unknown Claims, against each of the Released Parties and agree to refrain from instituting, directing or maintaining any lawsuit, contested matter, adversary proceeding, or miscellaneous proceeding against each of the Released Parties that relates to or arises from the use of Defendants' website, or otherwise arises out of the same facts and circumstances set forth in the class action complaint in this Action.

23. The Settlement Class Representative and Settlement Class Members are enjoined from prosecuting any Released Claims in any proceeding against any of the Released Parties or prosecuting any claim based on any actions taken by any of the Released Parties that are authorized or required by this Settlement or by the Final Approval Order and Judgment. It is further agreed that the Settlement and/or this Final Approval Order and Judgment may be pleaded as a complete defense to any proceeding subject to this section.

24. The Settlement does not constitute an admission of liability by AutoZone, and the Court expressly does not make any finding of liability or wrongdoing by AutoZone.

25. This Final Approval Order and Judgment and the Settlement, and all acts, statements, documents, and proceedings relating to the Settlement are not, and shall not be construed as, used as, or deemed to be evidence of, an admission by or against AutoZone of any claim, any fact alleged in the Action, any fault, any wrongdoing, any violation of law, or any liability of any kind on the part of AutoZone or of the validity or certifiability for litigation of any claims that have been, or could have been, asserted in the Action.

26. This Final Approval Order and Judgment, the Settlement, and all acts, statements, documents, and proceedings relating to the Settlement shall not be offered, received, or admissible in evidence in any action or proceeding, or be used in any way as an admission, concession or evidence of any liability or wrongdoing of any nature or that Plaintiff, any Settlement Class Member, or any other person has suffered any damage; provided, however, that nothing in the foregoing, the Settlement, or this Final Approval Order and Judgment shall be interpreted to prohibit the use of the Settlement or this Final Approval Order and Judgment in a proceeding to consummate or enforce the Settlement or this Final Approval Order and Judgment (including all

releases in the Settlement and Final Approval Order and Judgment), or to defend against the assertion of any the Released Claims in any other proceeding, or as otherwise required by law.

27. The Settlement's terms shall be forever binding on, and shall have *res judicata* and preclusive effect in, all pending and future lawsuits or other proceedings as to the Released Claims (and other prohibitions set forth in this Final Approval Order and Judgment) that are brought, initiated, or maintained by, or on behalf of, any Settlement Class Member, Releasing Party, or any other person subject to the provisions of this Final Approval Order and Judgment.

28. The Court hereby dismisses the Action and First Amended Complaint and all claims therein on the merits and with prejudice, without fees or costs to any Party except as provided in this Final Approval Order and Judgment.

DONE AND ORDERED on this 27th day of November, 2025

The filer certifies that this filing complies with the provisions of the Public Access Policy of the Unified Judicial System of Pennsylvania: Case Records of the Appellate and Trial Courts that require filing confidential information and documents differently than non-confidential information and documents.

The deadline to file a Claim Form is November 13, 2025. If you previously submitted a claim form or have excluded yourself from the Settlement, no further action is required at this time.

A settlement has been reached in a class action lawsuit alleging that AutoZone, Inc. and AutoZone.com, Inc. (collectively, AutoZone) violated the Pennsylvania Wiretapping and Electronic Surveillance Control Act by equipping its website www.AutoZone.com with various session replay technologies at various times from January 1, 2022, through January 1, 2024 (Class Period). AutoZone denies that it violated any laws or that it did anything wrong. The Court has not decided who is right.

Whos Included? You are in the Settlement Class if, while residing in the Commonwealth of Pennsylvania during the Class Period, you (1) placed an order on AutoZone.com; (2) while AutoZone.com was equipped with Session Replay technology; and (3) you were not a member of the AutoZone Rewards program. If you received this notice regarding this Settlement it is because your address is associated with an order on AutoZone.com during the Class Period and therefore you may be a member of the Settlement Class.

What Are the Settlement Terms? AutoZone has agreed to pay Settlement Class Members who submit a valid Claim Form and to pay for notice and administration costs of the Settlement, attorneys fees and expenses incurred by counsel for the Settlement Class, and Service Awards for the named Plaintiff. Each Settlement Class Member who submits a timely and valid Claim Form by the Claim Deadline, shall be sent a mailed check or electronic transfer by the Administrator. The expected amount of the claim settlement check is \$20. Participating Settlement Class Members who submit Approved Claims will be sent their Settlement check or electronic transfer to the address/account they submitted on their Claim Form as soon as practicable following the Effective Date of the Settlement and after final determinations have been made with respect to all claims submitted during the Claims Period pursuant to the Claims Review Process. One claim is allowed per Settlement Class Member.
