Case No. 1:21-CV-06125 (NGG) (PCG)

**[Proposed] SUPPLEMENTAL ORDER GRANTING PRELIMINARY
APPROVAL OF CLASS ACTION SETTLEMENT**

Whereas the Court granted preliminary approval to the class action settlement in these matters on June 10, 2026;

Whereas pursuant to that Order, and the Court's July 15, 2026 Order granting an extension of time to file settlement notice, direct and publication notice was issued to class members identified by Defendants beginning on July 20, 2026;

Whereas the Parties became aware of class claims received from individuals whose names did not appear on the class list, and Defendants conducted an investigation and determined that the class list was underinclusive;

Whereas Defendants completed their investigation and produced to Class Counsel and the Claims Administrator a list with approximately an additional 76,630 class members ("New Settlement Class Members") who were collectively detained in a Central Booking facility approximately 170,000 times during the Class Periods;

Whereas the Parties have agreed to increase the Settlement Fund to \$35,475,000, based on a pro rata increase to the number of detentions now covered by the settlement, and have agreed to enter into negotiations as to Class Counsel's demand for additional Attorneys' Fees due to this development. If no agreement can be reached amongst the Parties as to additional Attorneys' Fees, Class Counsel may petition the Court to request additional Attorneys' fees by November 13, 2026. Defendants reserve all rights to oppose any such request by Class Counsel.

Whereas Defendants have agreed to pay the additional costs of a supplemental notice mailing necessitated by the addition of the New Settlement Class Members;

IT IS ORDERED THAT:

1. The Supplemental Settlement Agreement attached hereto as Exhibit A is preliminarily approved.
2. Direct notice shall be mailed to New Settlement Class Members ("New Notice") by October 30, 2026.
3. The deadline to submit claims shall be extended to January 7, 2027.
4. The deadline to object or opt out of the settlement shall be extended until December 9, 2026.
5. The deadline for Class Counsel to submit their request for attorneys' fees and expenses shall be extended until November 13, 2026.
6. The hearing for Final Approval of the Settlement shall take place on December 16, 2026 at 11:00 a.m.
7. The Settlement Website shall be updated to reflect these new dates.
8. All other aspects of the Court's Preliminary Approval Order shall remain in effect.

Dated: October 21, 2026

Brooklyn, New York
