Hon. Elaine Lu, Dept. 9

**Declaration of Sargis Isayan in support of
Motion for Preliminary Approval of Class
Action Settlement**

*[filed contemporaneously with Notice of Motion and Motion
for Preliminary Approval of Class Action Settlement;
Memorandum of Points and Authorities; Declaration of
Thomas Warren; Declaration of Michael Lynch;
[Proposed] Order Granting Preliminary Approval;
[Proposed] Judgment]*

Action Filed: June 28, 2024
Trial Date: N/A

1 I, Sargis Isayan, declare:

2 1. I am the named plaintiff in this case. I am over 18 years old. I have personal
3 knowledge of the facts stated in this declaration and could competently testify thereto.

4 2. I submit this declaration in support of Plaintiff's motion for preliminary approval of
5 the class action settlement.

6 3. In February 2024, I bought four tickets to Knott's Berry Farm through Knott's Berry
7 Farm's website (www.knotts.com) for myself and my family. The advertised price did not include
8 the \$9.99 processing fee, which was not disclosed to me until the checkout page. I was not aware of
9 the processing fee before that. At that point, after having invested significant time, I decided to
10 proceed with the purchase and pay the processing fee in addition to the ticket prices.

11 4. I believe that my purchase experience was typical of the class. And I am not aware of
12 any unique defenses that would apply only to me.

13 5. I agree to act as a class representative and understand the responsibilities of a class
14 representative (such as actively participating in the lawsuit, providing evidence, protecting the
15 class's interests, and testifying about my experience, which I understand should be representative of
16 the class's experience).

17 6. I have no conflicts of interest with the class. I am not related to anyone associated
18 with Warren Terzian LLP or Angeion Group, LLC. I have not entered into any undisclosed
19 agreements or received any undisclosed compensation related to this case.

20 7. I have actively participated in this lawsuit and support the proposed settlement. I
21 have responded to the many detailed questions from my lawyers at Warren Terzian LLP; provided
22 them with all documents in my possession, custody, or control that they requested; and reviewed
23 and responded to written discovery requests.

24 I declare under penalty of perjury under the laws of the State of California that the foregoing
25 is true and correct.
