CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

Plaintiffs Dan Cook and C.P. (“Plaintiffs” or “Class Representatives”) on behalf of themselves and all others similarly situated, and Defendant New Liberty Hospital Corporation d/b/a Liberty Hospital (“Defendant” or “Liberty Hospital”) (collectively, the “Parties”), hereby enter into this Class Action Settlement Agreement and Release (“Settlement Agreement”), subject to Court approval. As detailed below, this Settlement Agreement releases and forever discharges and bars all claims asserted (or claims that could have been asserted) in the class action lawsuit captioned, *C.P. et al. v. New Liberty Hospital Corporation*, No. 24CY-CV00681 (Mo. Cir. Ct.).

I. RECITALS

1. On or about December 19, 2023, Defendant experienced a cybersecurity attack that affected its computer systems (the “Data Incident”).
2. A subsequent investigation determined that during the Data Incident a threat actor unlawfully accessed certain files that included Private Information.
3. Defendant began notifying potentially impacted individuals about the Data Incident on or around February 8, 2024.
4. On January 17, 2024, Plaintiff C.P. filed a putative class action in the District Court

of Clay County, Missouri (*C.P. v. New Liberty Hospital Corporation, et al.*, Case No. 24CY-CV00681) related to the Data Incident.

5. On February 28, 2024, Plaintiff Dan Cook filed his class action petition in the U.S. District Court for the Western District of Missouri (*Dan Cook v. The Liberty Hospital Foundation, d/b/a Liberty Hospital*, Case No. 24-00134-CV-BP) related to the Data Incident (“*Cook Complaint*”). On April 3, 2024, the Federal Court dismissed the *Cook Complaint*, without prejudice.

6. On April 1, 2024, Plaintiffs filed the First Amended Petition in case no. 24CY-CV00681, adding Plaintiff Dan Cook.

7. On April 26, 2024, Plaintiffs filed the now-operative Second Amended Class Action Petition in case no. 24CY-CV00681 (the “*Complaint*”), asserting claims for breach of implied contracts, negligence, negligence *per se*, invasion of privacy—public disclosure of private facts, breach of a fiduciary duty of confidentiality, violations of the Missouri Merchandising Practices Act, negligent training and supervision, breach of the implied covenant of good faith and fair dealing, and unjust enrichment. Defendant filed its Answer to the Complaint on May 3, 2024.

8. On February 5, 2025, the Parties engaged in a mediation session before Hon. Wayne R. Anderson (Ret.) of JAMS. Throughout their mediation session, the Parties engaged in an extensive evaluation and discussion of the relevant facts and law, and the Parties carefully considered the risk and uncertainties of continued litigation and all other factors bearing on the merits of settlement. Although the Parties did not settle at mediation, the Parties continued settlement negotiations through Judge Anderson.

9. On February 12, 2025, Judge Anderson assisted the Parties with reaching an agreement on the principal terms of a settlement on a class-wide basis—subject to final mutual

agreement on all the necessary documentation.

10. The Parties have agreed to settle the Action entirely, on the terms and conditions set forth herein, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties.

11. Defendant denies all claims of wrongdoing or liability that Plaintiffs, Settlement Class Members, or anyone else has asserted in this Action or may assert in the future based on the conduct alleged in the Action. Despite Defendant's position that it is not liable for, and has good defenses to, the claims alleged in the Action, Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint, and to avoid the litigation costs and expenses, distractions, burden, and disruption to its business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaims and denies any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint.

12. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Settlement Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement.

13. Plaintiffs have entered into this Agreement to recover on the claims they asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede the claims alleged in the Action lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

14. Settlement Class Counsel has thoroughly examined the law and facts relating to the

matters at issue in the Action, Plaintiffs' claims, and Defendant's potential defenses, including conducting an independent investigation, participating in mediation, conferring with defense counsel through the settlement negotiation process, as well as conducting an assessment of the merits of expected arguments and defenses throughout the litigation. Based on a thorough analysis of the facts and the law applicable to Plaintiffs' claims in the Action, and taking into account the burden, expense, and delay of continued litigation, including the risks and uncertainties associated with litigating class certification and other defenses Defendant may assert, a protracted trial and appeal(s), as well as the opportunity for a fair, cost-effective, and assured method of resolving the claims of the Settlement Class, Plaintiffs and Settlement Class Counsel believe that the terms set forth in this Settlement Agreement confer substantial benefits upon the Settlement Class and have determined that they are fair, reasonable, adequate, and in the best interests of the Settlement Class.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

VII. OPT-OUT AND OBJECTION PROCEDURES

84. Any Settlement Class Member may submit an opt-out by mailing such request in writing to the Settlement Administrator at the address set forth in the Notice. To be valid, an opt out must be postmarked no later than sixty (60) days after the Notice Commencement Date. The opt-out request shall (i) state the Settlement Class Member's full name and current address and signature, and (ii) specifically state their desire to be excluded from the Settlement and from the Settlement Class. Failure to comply with these requirements and to timely submit the Request for Exclusion will result in the Settlement Class Member being bound by the terms of the Settlement.

85. Any Settlement Class Member who submits a timely opt out may not make any objections to the Settlement and shall be deemed to have waived any rights or benefits under this Settlement Agreement.

86. The Settlement Administrator shall provide Settlement Class Counsel and Defendant's counsel with a weekly report informing them of any opt-out requests received by the Settlement Administrator during each week following the Notice Commencement Date. The Settlement Administrator must provide Settlement Class Counsel and Defendant's Counsel with a declaration identifying all Settlement Class Members who requested timely exclusion from the Settlement. Settlement Class Counsel will file with the Court and serve Defendant with the declaration along with their Motion for Final Approval.

87. Any Settlement Class Member who does not file a timely Request for Exclusion may send a notice of intent to object to the settlement (an "Objection Notice"). To be a valid objection, the objection must state: (i) the objector's full name and address; (ii) the case name and docket number – *C.P. et al. v. New Liberty Hospital Corporation*, Case No. 24CY-CV00681 (Mo.

Cir. Ct.); (iii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of the objector's settlement notice, copy of original notice of the Data Incident, or a statement explaining why the objector believes they are a Settlement Class Member); (iv) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (v) the identity of any and all counsel representing the objector in connection with the objection; (vi) a statement whether the objector and/or their counsel will appear at the Final Approval Hearing; and (vii) the objector's signature or the signature of the objector's duly authorized attorney or other duly authorized representative (if any) representing him, her, or they in connection with the objection. To be timely, written notice of an objection in the appropriate form must be mailed, with a postmark date no later than sixty days from the Notice Commencement Date, to Settlement Class Counsel, J. Gerard Stranch, IV of Stranch, Jennings & Garvey, PLLC and Maureen Brady of McShane & Brady; and counsel for Defendant, David A. Yudelson of Constangy, Brooks, Smith & Prophete LLP—to the addresses listed in the notice section below. The objector or their counsel may also file objection with the Court with service on Settlement Class Counsel and Defendant's Counsel. For all objections mailed to Settlement Class Counsel and Defendant's Counsel, Settlement Class Counsel will file them with the Court as an exhibit to the Motion for Final Approval.

88. Subject to approval of the Court, any timely and validly objecting Settlement Class Member may appear, in person or by counsel, at the Final Approval Hearing held by the Court. By this provision, the Parties are not waiving and are expressly preserving their right to contest any appearance by an objector on any grounds, or from asserting any and all other potential defenses and privileges to any such appearance.

89. The agreed-upon procedures and requirements for submitting objections in connection with the Final Approval Hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Settlement Class Member's objection to the Settlement Agreement, in accordance with the due process rights of all Settlement Class Members. The Preliminary Approval Order and Notice will require all Settlement Class Members who have any objections to submit the objections to the Settlement Administrator at the address set forth in the Postcard Notice, by no later than the Objection Date. The Notice shall make clear that the Court can only approve or deny the Agreement and cannot change the terms.

90. If the date for the Final Approval Hearing is changed, the Settlement Administrator will post the new hearing date on the Settlement Website and will provide notice of the new hearing date to Settlement Class Members who submitted timely objections to the Settlement.

91. Settlement Class Members cannot both object to and exclude themselves from this Agreement, as Class Members who choose not to participate in the Settlement have no standing to object to the Settlement. The Settlement Administrator shall attempt to contact any Settlement Class Members who submit both a Request for Exclusion and an Objection Notice at least one time by email or, if no email address is available, by telephone where a telephone number is available, or by regular U.S. mail to give the Settlement Class Members an opportunity to clarify whether they choose to exclude themselves or proceed with their objection. The Settlement Class Member shall have until fourteen (14) days prior to the Final Approval Hearing to inform the Settlement Administrator regarding his or her final choice. Any Settlement Class Member who attempts to both object to and exclude themselves from this Agreement and fails to follow up regarding their final choice will be deemed to have excluded themselves from the Settlement and will be considered to have forfeited their objection.

92. Settlement Class Counsel will defend the Court's Final Approval Order and any related orders in the event of an appeal.

VIII. RELEASE OF CLAIMS

93. Upon the Effective Date each Settlement Class Member, including Class Representatives, who fail to timely and validly Opt Out from the Settlement shall be deemed to have fully, finally and forever released, relinquished, and discharged Defendant and the other Released Parties from all Released Claims against all Released Parties and shall be forever barred from instituting, maintaining, or prosecuting, any and all liabilities, rights, claims, actions, causes of action, demands, damages, costs, attorneys' fees, losses and remedies, whether known or unknown, asserted or unasserted, existing or potential, suspected or unsuspected, liquidated or unliquidated, legal, statutory, or equitable, based on contract, tort or any other theory, whether on behalf of themselves or others, that result from, arise out of, are based upon, or relate to the Action. Settlement Class Members, including Class Representatives, will be deemed to have released any unknown claims, that, even if known or suspected to exist at the time of the release of the Released Parties that, if known by him/her/them, might have affected the settlement with, and release of, the Released Parties, or might have affected his/her/their decision not to object to and/or to participate in this Settlement Agreement.

94. Upon the Effective Date, and in consideration of the settlement benefits described herein, Defendant shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, relinquished, and discharged Plaintiffs, each and all of the Settlement Class Members, and Plaintiffs' Counsel of all claims based upon or arising out of the institution, prosecution, assertion, settlement, or resolution of the Action or the Released Claims, except for enforcement of the Settlement Agreement and except as to Settlement Class

Members who submit a timely and valid Request for Exclusion from the Settlement.

95. This Settlement Agreement does not affect the rights of Settlement Class Members who submit a timely and valid Request for Exclusion from the Settlement.

96. Upon issuance of the Final Approval Order (i) the Settlement Agreement shall be the exclusive remedy for any and all Settlement Class Members, except those who have opted out in accordance with the provisions hereof, (ii) Defendant and the other Released Parties shall not be subject to liability or expense of any kind to any Settlement Class Member(s) for reasons related to the Action except as set forth herein, and (iii) Settlement Class Members shall be permanently barred from initiating, asserting or prosecuting any and all Released Claims against Defendant and the other Released Parties.

IX. REPRESENTATIONS, WARRANTIES, AND COVENANTS

97. Settlement Class Counsel represents and warrants that they have the authority, on behalf of Plaintiffs, to execute, deliver, and perform this Settlement Agreement and to consummate all the transactions contemplated hereby. This Settlement Agreement has been duly and validly executed and delivered by Settlement Class Counsel and Plaintiffs and constitutes their legal, valid, and binding obligation.

98. Defendant, through its undersigned attorneys, represents and warrants that it has the authority to execute, deliver, and perform this Settlement Agreement and to consummate the transactions contemplated hereby. The execution, delivery, and performance by Defendant of this Settlement Agreement and the consummation by it of the actions contemplated hereby have been duly authorized by Defendant. This Settlement Agreement has been duly and validly executed and delivered by Defendant and constitutes its legal, valid, and binding obligation.

X. TERMINATION OF SETTLEMENT

99. This Agreement shall be subject to and is expressly conditioned on the occurrence of all the following events:

- a. Court approval of the Settlement consideration and the Releases set forth in this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

100. If any of the conditions specified in the preceding paragraph are not met, then this Agreement shall be cancelled and terminated.

101. Defendant shall have the option to terminate this Agreement if more than five (5%) percent of the members of the Settlement Class opt out of the Settlement. Defendant shall notify Settlement Class Counsel and the Court of its intent to terminate this Agreement pursuant to this paragraph within ten (10) days after the end of the Opt-Out Date, or the option to terminate shall be considered waived.

102. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this case or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

103. In the event this Agreement is terminated or fails to become effective, Defendant shall have no right to seek from Plaintiffs, Settlement Class Counsel, or the Settlement Administrator the Settlement Administration Costs paid by Defendant for Settlement Administration. After payment of any Settlement Administration Costs that have been incurred and are due to be paid, the Settlement Administrator shall return the balance to Defendant within twenty-one days of termination.

104. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Settlement Class Counsel's, Defendant's, and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

105. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XI. NO ADMISSION OF LIABILITY

106. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or

wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

107. Settlement Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Settlement Class Counsel fully investigated the facts and law relevant to the merits of the claims, conducted discovery, and conducted independent investigation of the alleged claims. Settlement Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class.

108. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

109. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by Plaintiffs or the Settlement Class, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal. In addition to

any other defenses Defendant may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

XII. MISCELLANEOUS PROVISIONS

110. Binding Effect. This Agreement shall be binding upon, and inure to and for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

112. Obligation to Meet and Confer. Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

113. Integration and No Reliance. This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

114. No Conflict Intended. Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

115. Governing Law. Except as otherwise provided herein, the Agreement shall be

construed in accordance with, and be governed by, the laws of the State of Missouri, without regard to the principles thereof regarding choice of law.

116. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required. Any signature submitted by facsimile or through email of an Adobe PDF shall be deemed an original.

117. Jurisdiction. The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

118. Modification and Amendment. This Agreement may not be amended or modified, except by a written instrument signed by Settlement Class Counsel and Defendant's Counsel and, if the Settlement has been approved preliminarily by the Court, approved by the Court.

119. No Waiver. The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent,

or contemporaneous, of this Agreement.

120. Authority. Settlement Class Counsel (for Plaintiffs and the Settlement Class), and Defendant's Counsel (for Defendant), represent and warrant that the persons signing this Agreement on their behalf have full power and authority to bind every person, partnership, corporation, or entity included within the definitions of Plaintiffs and Defendant to all terms of this Agreement. Any person executing this Agreement in a representative capacity represents and warrants that he or she is fully authorized to do so and to bind the Party on whose behalf he or she signs this Agreement to all the terms and provisions of this Agreement.

121. Agreement Mutually Prepared. Neither Plaintiffs nor Defendant shall be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

122. Receipt of Advice of Counsel. Each Party acknowledges, agrees, and specifically warrants that he, she, they, or it has fully read this Agreement, and the Releases contained herein, received independent legal advice with respect to the advisability of entering into this Agreement and the Releases, and the legal effects of this Agreement and the Releases, and fully understands the effect of this Agreement and the Releases.

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

C.P. et al. v. New Liberty Hospital Corporation

Case No. 24CY-CV00681

Pending in the District Court of Clay County, Missouri

If you are a person residing in the United States whose Private Information was potentially exposed to unauthorized third parties as a result of a Data Incident experienced by Liberty Hospital, a class action settlement may affect your rights.

The District Court of Clay County, Missouri has authorized this notice.

This is not a solicitation from a lawyer.

You are not being sued.

- A Settlement has been reached with New Liberty Hospital Corporation, d/b/a Liberty Hospital (“Liberty Hospital” or “Defendant”), in a class action lawsuit concerning the data security incident that occurred on or about December 19, 2023, in which an unauthorized threat actor accessed Defendant’s computer network and is alleged to have gained access to potentially sensitive information of the Plaintiffs and members of the Settlement Class (the “Data Incident”).
- Liberty Hospital denies all claims of wrongdoing or liability that Plaintiffs, Settlement Class Members, or anyone else has asserted in this Action or may assert in the future based on the conduct alleged in the Action. Despite Defendant’s position that it is not liable for, and has good defenses to the claims alleged in the Action, Defendant has entered into this Settlement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint, and to avoid the litigation costs and expenses, distractions, burden, and disruption to its business operations associated with further litigation.
- The Plaintiffs and Settlement Class Counsel believe that the terms set forth in this Settlement provide substantial benefits to the Settlement Class and have determined that they are fair, reasonable, adequate, and in the best interests of the Settlement Class.
- Your rights are affected whether you act or don’t act. ***Please read this Notice carefully and completely.***

Basic Information

1. Why was this Notice issued?

The District Court of Clay County, Missouri authorized this Notice because you have a right to know about the proposed Settlement of this class action lawsuit, and about all your options before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is captioned: *C.P. et al. v. New Liberty Hospital Corporation*, Case No. 24CY-CV00681. The individuals that filed this lawsuit, Dan Cook and C.P., are called the “Plaintiffs” or “Class Representatives” and the entity they sued, New Liberty Hospital Corporation (“Liberty Hospital”), is called the “Defendant.”

2. What is this lawsuit about?

This lawsuit concerns the data security incident that occurred on or about December 19, 2023, in which an unauthorized threat actor accessed Defendant’s computer network and is alleged to have gained access to potentially sensitive information of the Plaintiffs and members of the Settlement Class. The Settlement Benefits

7. What does the Settlement provide?

The Settlement provides for the creation of a \$1,500,000 Settlement Fund that will be used to pay Settlement Awards to Settlement Class Members who submit timely and valid Claim Forms, Service Awards, the Attorneys' Fees and Expenses Award, and Settlement Administration fees.

The following Settlement benefits are available to Settlement Class Members:

Documented Expenses and Losses. Settlement Class Members may submit claims for unreimbursed, documented out-of-pocket expenses and financial losses fairly traceable to the Data Incident. This includes, without limitation, unreimbursed costs, losses, or expenditures relating to fraud or identity theft; professional fees including accountants' fees and fees for credit repair services; costs associated with freezing or unfreezing credit with any credit reporting agency; credit monitoring costs that were incurred on or after the Data Incident through the date of claim submission; and miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.

Such claims must be supported by reasonable third-party documentation. "Self-prepared" documents such as handwritten notes or receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation.

Cash Payments. Settlement Class Members may submit claims for a cash payment, which is estimated to be \$150. The final Cash Payment amount is subject to a *pro rata* increase or decrease depending upon the number of valid claims filed and the amount of funds available for these payments.

For more information about these benefits or to view the Settlement Agreement, please visit [www.\[SettlementWebsite\].com](http://www.[SettlementWebsite].com).

9. What claims am I releasing if I stay in the Settlement Class?

Unless you opt out of the Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against the Defendant about any of the legal claims this Settlement resolves. The “Release of Claims” section of the Settlement Agreement describes the legal claims that you give up if you remain in the Settlement Class. The Settlement Agreement is available for review at [www.\[SettlementWebsite\].com](http://www.[SettlementWebsite].com).

Submitting a Claim Form for Settlement Benefits

10. How do I submit a claim for a Settlement benefit?

Settlement Class Members can securely submit a Claim Form and upload supporting documentation online at [www.\[SettlementWebsite\].com](http://www.[SettlementWebsite].com). Settlement Class Members can also complete and return by the mail the Claim Form that accompanied the notice that was mailed to them.

11. What is the deadline for submitting a claim?

If you are submitting a Claim Form online, you must do so by [\[Claims Deadline\]](#). If you are submitting a claim by U.S. mail, the completed and signed Claim Form must be mailed so it is postmarked no later than [\[Claims Deadline\]](#).

12. When will the Settlement benefits be issued?

The Court will hold a final approval hearing on [\[redacted\]](#), 2025. If the Court approves the Settlement, there may be appeals. It is always uncertain whether appeals will be filed and, if so, how long it will take to resolve them.

Settlement benefits will be distributed if the Court grants final approval of the Settlement and after any appeals are resolved, or after the period to seek an appeal has expired.

The Court may award less than these amounts.

Excluding Yourself from the Settlement

16. How do I opt out of the Settlement?

If you do not want to receive any benefits from the Settlement, and you want to keep your right, if any, to separately sue the Defendant about the legal issues in this case, there are steps that you must take to exclude yourself from the Settlement Class. This is called requesting an exclusion from, or "opting out" of the Settlement Class. The deadline to submit a request for exclusion from the Settlement is [\[Opt-Out Deadline\]](#).

To exclude yourself from the Settlement, you must submit a written request for exclusion that includes the Settlement Class Member's full name and current address and signature, and (ii) specifically state their desire to be excluded from the Settlement and from the Settlement Class in the *C.P. et al. v. Commenting on or Objecting to the Settlement

17. How do I tell the Court if I like or do not like the Settlement?

If you are a Settlement Class Member and do not like a portion or all the Settlement, you can object to it, as long as you have not timely filed a Request for Exclusion. You can give reasons why you think the Court should not approve it. The Court will consider your views.

To be a valid objection, the objection must state: (i) the objector's full name and address; (ii) the case name and docket number – C.P. et al. v. New Liberty Hospital Corporation, Case No. 24CY-CV00681 (Mo. Cir. Ct.); (iii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of the objector's settlement notice, copy of original notice of the Data Incident, or a statement explaining why the objector believes they are a Settlement Class Member); (iv) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (v) the identity of any and all counsel representing the objector in connection with the objection; (vi) a statement whether the objector and/or their counsel will appear at the Final Approval Hearing; and (vii) the objector's signature or the signature of the objector's duly authorized attorney or other duly authorized representative (if any) representing him, her, or they in connection with the objection.

To be timely, written notice of an objection (containing the required information listed above) must be mailed with a postmark date no later than **DATE**, to Class Counsel and Counsel for Defendant:

Counsel for Defendant

 Los Angeles, CA 90067

The objector or their counsel may also file objection with the Court with service on Class Counsel and Defendant's Counsel.

18. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is opting out and stating to the Court that you do not want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because the Settlement no longer affects you.

The Court's Final Approval Hearing

19. When is the Court's Final Approval Hearing?

The Court will hold a final approval hearing on **[DATE]** at **[TIME]**, in Courtroom **XXX** of the **[Court name/location]**.

At the final approval hearing, the Court will consider and finally decide whether to enter the Final Approval Order approving the Settlement, and the Court will consider Class Counsel's request for payment of attorneys' fees and costs and Plaintiffs' request for Service Awards. The Court will also consider any objections to the Settlement that were submitted in accordance with the requirements outlined in **Question 17**, above.

If you are a Settlement Class Member, you or your attorney may ask permission to speak at the hearing at your own cost (*See Question 17*).

If the date for the Final Approval Hearing is changed, the Settlement Administrator will post the new hearing date on the Settlement Website, **www.[SettlementWebsite].com**, and will provide notice of the new hearing date to Settlement Class Members who submitted timely objections to the Settlement.

20. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish. If you file an objection, you do not have to come to the Final Approval Hearing to talk about it. If you file your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but such attendance is not necessary.

If I Do Nothing

21. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will give up the rights described in **Question 9**, including your right to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against the Defendant and the Released Parties about the legal issues resolved by this Settlement. In addition, if you do nothing, you will not receive any benefits from this Settlement.

[PROPOSED] ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT

Before the Court is Plaintiffs' Unopposed Motion for Preliminary Approval of the proposed Class Action Settlement (the "Motion"), the terms of which are set forth in a Settlement Agreement with accompanying exhibits attached to Plaintiffs' Motion as Exhibit 1 (the "Settlement Agreement").¹ Having fully considered the issue, the Court hereby GRANTS the Motion and orders as follows:

1. **Class Certification for Settlement Purposes Only.** The Settlement Agreement provides for a Settlement Class defined as follows:

All persons residing in the United States whose Private Information was potentially exposed to unauthorized third parties as a result of the Data Incident experienced by Defendant on December 19, 2023.

Pursuant to Missouri Rule 52.08, the Court finds that giving notice is justified. The Court finds that the Settlement is within range of final approval as fair, reasonable, and adequate. The Court also finds that it will likely be able to certify the Settlement Class for purposes of judgment on the Settlement because they meet all the requirements of Rule 52.08(a) and the requirements of Rule 52.08(b)(3), and so the Court conditionally certifies the Class for the purpose of Settlement.

¹ All defined terms herein have the same meaning as set forth in the Settlement Agreement.

Specifically, the Court finds, for settlement purposes only, that: a) the Settlement Class is so numerous that joinder of all Settlement Class Members would be impracticable; b) there are questions of law and fact that are common to the Settlement Class; c) the claims of the proposed Class Representatives are typical of and arise from the same operative facts and that they seek similar relief as the claims of the Settlement Class Members; d) the proposed Class Representatives will fairly and adequately protect the interests of the Settlement Class as the proposed Class Representatives have no interest antagonistic to or in conflict with the Settlement Class and have retained experienced and competent counsel to prosecute this litigation on behalf of the Settlement Class; e) questions of law or fact common to Settlement Class Members predominate over any questions affecting only individual members; and f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this Litigation.

2. **Settlement Class Representatives and Settlement Class Counsel.** The Court finds that Plaintiffs C.P. and Dan Cook should be appointed as Settlement Class Representatives. Additionally, the Court finds that J. Gerard Stranch, IV and Maureen Brady should be appointed as Settlement Class Counsel.

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court finds the Settlement is fair, reasonable, and adequate to warrant providing Notice of Settlement to the Settlement Class and accordingly is preliminarily approved. In making this determination, the Court has considered the monetary benefits provided to the Settlement Class through the Settlement, the specific risks faced by the Settlement Class in prevailing on their claims, the stage of the proceedings at which the Settlement was reached and the discovery that was conducted, the effectiveness of the proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, and all of the other factors required

by Rule 52.08.

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on _____, 2025, at _____ [or via telephone or videoconference] at _____ am/pm to determine, among other things, whether: (a) this litigation should be finally certified as a class action for settlement purposes pursuant to Missouri Rule 52.08(a) and (b)(3); (b) the Settlement should be approved as fair, reasonable and adequate, and finally approved; (c) this Litigation should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (d) Settlement Class Members should be bound by the releases set forth in the Settlement Agreement; (e) the application of Settlement Class Counsel for an award of Attorneys' Fees, Costs, and Expenses should be approved; and (f) the application of the Settlement Class Representatives for Service Awards should be approved.

6. **Claims Administrator.** The Court appoints Angeion as the Settlement Administrator, with responsibility for class notice and claims administration. The Settlement Administrator is directed to perform all tasks the Settlement Agreement requires. The Settlement Administrator's fees will be paid pursuant to the terms of the Settlement Agreement.

7. **Notice.** The proposed notice plan set forth in the Settlement Agreement and the Notices and Claim Form attached to the Settlement Agreement as exhibits are hereby approved. Non-material modifications to these Exhibits may be made with approval by the parties but without further order of the Court.

8. **Findings Concerning Notice.** The Court finds that the proposed form, content, and method of giving notice to the Settlement Class as described in the notice plan and the Settlement Agreement and its exhibits: (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of

the pendency of the litigation, the terms of the proposed Settlement, and their rights under the proposed Settlement, including but not limited to their rights to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members and other persons entitled to receive notice; (d) meet all applicable requirements of law, including Missouri Rule 52.08, and the Due Process Clause(s) of the United States Constitution and the Missouri Constitution. The Court further finds that the Notice is written in plain language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

The Settlement Administrator is directed to carry out the Notice in conformance with the Settlement Agreement.

10. **Exclusion from Class.** Any Settlement Class Member who wishes to be excluded from the Settlement Class must sign and timely submit written notice of such intent pursuant to the procedures set forth in the Settlement Agreement and the Long Form Notice.

If the final Judgment and Order of Dismissal is entered, any Settlement Class Member who has not submitted a timely, valid written opt-out request for exclusion from the Settlement Class shall be bound by all subsequent proceedings, orders, and judgments in this Litigation, including but not limited to the release set forth in the Final Judgment and Order of Dismissal. Settlement Class Members who submit valid and timely opt-out requests for exclusion shall not be entitled to receive any benefits from the Settlement.

11. **Objections and Appearances.** A Settlement Class Member who does not file a valid and timely request for exclusion may file with the Court a notice of intent to object to the Class Settlement Agreement. A Settlement Class Member who wishes to object must follow the procedure set forth in the Settlement Agreement and the Long Form Notice.

Any Settlement Class Member who fails to comply with the provisions in this Order will waive and forfeit any and all rights they may have to object, will have their objection stricken from the record, and will lose their rights to appeal from approval of the Settlement. Any such Settlement Class Member also shall be bound by all subsequent proceedings, orders, and judgments in this Litigation, including but not limited to the release set forth in the Final Judgment and Order of Dismissal if entered.

12. **Claims Process.** Settlement Class Counsel and Defendant have created a process for Settlement Class Members to claim benefits under the Settlement. The Court preliminarily approves this process and directs the Settlement Administrator to follow those provisions in the Settlement Agreement, including the use of the tear-off claim form in the Postcard.

13. **Termination of Settlement.** This Order shall become null and void and shall be without prejudice to the rights of the parties, all of whom shall be restored to their respective positions existing before the Court entered this Order and before they entered the Settlement Agreement, if: (a) the Court does not enter this Preliminary Approval Order; (b) Settlement is not finally approved by the Court or is terminated in accordance with the Settlement Agreement; or (c) there is no Effective Date. In such event, the Settlement and Settlement Agreement shall become null and void and be of no further force and effect, and neither the Settlement Agreement nor the Court's orders, including this Order, relating to the Settlement shall be used or referred to for any purpose whatsoever.

14. **Use of Order.** This Order shall be of no force or effect if the Final Judgment and Order of Dismissal is not entered or there is no Effective Date and shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, or liability. Nor shall this Order be construed or used as an admission, concession, or

declaration by or against the Class Representatives or any other Settlement Class Member that their claims lack merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any party of any defense or claims they may have in this litigation or in any other lawsuit.

15. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Final Approval Hearing and related deadlines without further written notice to the Settlement Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the Settlement Website maintained by the Settlement Administrator. The Court may approve the Settlement, with such modifications as may be agreed upon by the parties, if appropriate, without further notice to the Settlement Class.

17. **Stay of Litigation.** All proceedings in this litigation other than those related to approval of the Class Settlement Agreement are hereby stayed. Further, any actions brought by Settlement Class Members concerning the Released Claims are hereby enjoined and stayed pending Final Approval of the Class Settlement Agreement.

17. **Schedule and Deadlines.** The Court orders the following schedule of dates for the specified actions/further proceedings:
