OAKLAND DIVISION**

FUMIKO LOPEZ, FUMIKO LOPEZ, as
Guardian of A.L., a Minor, JOHN TROY
PAPPAS, and DAVID YACUBIAN, Individually
and on Behalf of All Others Similarly Situated,

Plaintiffs,

v.

APPLE INC.,

Defendant.

Docket No.: 4:19-cv-04577- JSW (SK)

**DECLARATION OF ERIN GREEN
COMITE IN SUPPORT OF
PLAINTIFFS' SECOND
SUPPLEMENTAL BRIEF IN SUPPORT
OF MOTION FOR FINAL APPROVAL
OF CLASS ACTION SETTLEMENT**

Judge: Hon. Jeffrey S. White

Courtroom: 5, 2nd Floor

Date: August 22, 2025

Time: 9:00 a.m.

I, Erin Green Comite, hereby declare under penalty of perjury pursuant to 28 U.S.C. §1746 as follows:

1. I am an attorney duly licensed to practice before the courts of the State of Connecticut and admitted *pro hac vice* before this Court. I am a partner of Scott+Scott Attorneys at Law LLP ("Scott+Scott") and counsel of record for Plaintiffs Fumiko Rodriguez (formerly known as Fumiko Lopez), individually and as guardian of A.L., John Troy Pappas, and David Yacubian (collectively, "Plaintiffs").

2. I have personal knowledge of the facts set forth herein and, if called upon as a witness, I could testify competently under oath thereto.

3. I submit this declaration in support of Plaintiffs' Second Supplemental Brief in Support of Motion for Final Approval of Class Acton Settlement. At all times relevant hereto, I served as one of Plaintiffs' Counsel for Plaintiffs and the proposed Settlement Class for the purpose of the Settlement in the above-captioned action (the "Lawsuit"). Christian Levis of Lowey Dannenberg, P.C. and I have been appointed as Class Counsel for the Settlement Class in this Lawsuit. ECF No. 341, ¶5. Unless otherwise defined, capitalized terms herein have the same meaning as in the Motion.

4. Attached as **Exhibit A** hereto is a true and correct copy of communications the

1 Settlement Administrator, Angeion Group, LLC (“Angeion”), and Class Counsel received from a
2 member of the Settlement Class, “C.R.”, relating to the opt-out request filed by Potter Handy and the
3 claim she filed in the Settlement. The communications in the exhibit have been organized in
4 chronological order, to the extent possible. Personal identifying information has been redacted
5 pursuant to Fed. R. Civ. P. 5.2 to protect the individual’s privacy interests. Ex. A-2, however, is
6 being lodged under seal as it represents business proprietary information of another law firm.

7 5. C.R. filed a claim for compensation in the Settlement with Angeion on May 17, 2025.
8 Ex. A-6. However, an opt-out request for C.R. was included with the thousands of other opt-out
9 forms that Potter Handy submitted to Angeion on July 2, 2025.

10 6. On August 14, 2025, I received an email directed to Class Counsel from C.R.
11 expressing confusion. Exs. A-13 to A-14. I personally spoke with C.R. that same day to understand
12 the nature of her confusion. As reflected in her communications, C.R. executed a retainer with Potter
13 Handy, LLP (“Potter Handy”) to pursue separate litigation against Apple (Ex. A-2) and signed a
14 form excluding her from this Settlement (*id.*), but then communicated to Potter Handy that she made
15 a mistake and did not want to opt out of the Settlement. Exs. A-1, A-4. From our conversation, I
16 understood that C.R. wanted to withdraw her opt-out and have her claim for compensation in this
17 Settlement honored. Subsequently, however, C.R. advised Angeion that she does not want to
18 withdraw the opt-out submitted by Potter Handy. Ex. A-17.

19 7. Attached as **Exhibits B-N** are true and correct copies of information provided to Class
20 Counsel by Angeion that track communications Angeion has had with other individuals who have
21 been opted out by Potter Handy or Kazerouni. Personal identifying information has also been
22 redacted pursuant to Fed. R. Civ. P. 5.2 to protect the individuals’ privacy interests.

23 8. Attached as **Exhibit O** is Plaintiffs’ proposed form of curative notice to the Third-
24 Party Opt-Out individuals.

25 ***

1 I declare under penalty of perjury that the foregoing is true and correct. Executed on August
2 20, 2025, in Colchester, Connecticut.

Dear **C.R.**,

Thank you for filling out the questionnaire and providing your information. We are happy to inform you that your responses preliminarily qualify you to be a Plaintiff in our mass action litigation against Apple.

There is an ongoing Class Action matter that is nearing settlement for these claims. We think we can achieve a better result for you if we pursue this for you as an individual in a mass action. However, once the class action settlement is finalized, you cannot pursue your claim individually unless you formally opt out. We have sent you an opt-out form so that we can handle that issue for you.

You must sign the opt-out form to move forward with **Potter Handy** and your individual claim. If you do not opt out of the class settlement, your claims will be released, whether or not you collect any money from that settlement.

Given the number of clients we will be representing, we won't be able to talk with each of you over the phone or in person. With the nature of the litigation and the number of Plaintiffs involved, there is unfortunately not enough time to talk to tens of thousands (or more) clients. We will strive to keep you updated via videos, emails, or texts, and we appreciate your willingness to participate.

We understand completely if this arrangement is not going to work for you, please let us know ASAP if you would like to cancel the retainer agreement and not be a part of the litigation. We have received both a Claim Form submitted by you directly and an exclusion request submitted on your behalf by Potter Handy related to the Lopez Voice Assistant Settlement. The Settlement Agreement does not permit you to submit both a Claim Form and an exclusion request.

Please promptly reply to this email by no later than **August 21, 2025**, to clarify your intention as to whether you: (a) only want to submit a Claim Form; or (b) only want to submit an exclusion request.

If you do not respond, your claim or exclusion request might be considered invalid and you might be forfeiting your rights under the Settlement.

You must include your choice **either** to make a claim **or** exclude yourself from the Settlement Class, but not both, in your response to this e-mail. I remember filling the papers out and the way it was worded said to finish the paperwork but at the end it stated that by submitting it I was asking for and exclusion.. so I was not clear on. How much of the paperwork I needed to sign .. or what I really needed to sign

I has also sent a fallow up e mail asking regarding this matter .. and what I could do to get my claim filed .

So if there is any way I can with draw my exclusion and re submit my claim I would like to do that

Sincerely

Navy gusdal

An exclusion/opt out was filed on your behalf by Kazerouni Law Group.

An exclusion/opt out is a notification that you want to be excluded from the Settlement Class. If you opt out of the Settlement, you will not have any rights as a member of the Settlement Class under the Settlement; you will not receive any payment as part of the Settlement; you will not be bound by any further orders or judgments in this case; and you will keep the right, if any, to sue on any claims against Apple arising out of or related to the claims in this case at your own expense.

We have also received a Claim Form from you. If a Settlement Class Member submits both a Claim Form and a timely request for exclusion, the exclusion shall take precedence and be considered valid and binding unless it is withdrawn.

Feel free to reach out if we can be of any additional assistance.

I received your email stating that an exclusion request was filed on my behalf for the Lopez v. Apple settlement by Potter Handy. I want to state clearly that I never requested to be excluded from the settlement, nor did I authorize anyone to act on my behalf to do so.

Please confirm immediately that my claim is reinstated and that I remain an eligible participant in the settlement. If further verification is needed, please advise me on the next steps.

We have received both a Claim Form submitted by you directly and an exclusion request submitted on your behalf by Potter Handy related to the Lopez Voice Assistant Settlement. The Settlement Agreement does not permit you to submit both a Claim Form and an exclusion request.

Please promptly reply to this email by no later than **August 21, 2025**, to clarify your intention as to whether you: (a) only want to submit a Claim Form; or (b) only want to submit an exclusion request.

If you do not respond, your claim or exclusion request might be considered invalid and you might be forfeiting your rights under the Settlement.

You must include your choice **either** to make a claim **or** exclude yourself from the Settlement Class, but not both, in your response to this e-mail. For more information on claims and requests for exclusion, please see Question Nos. 7-9 and 18-20 of the FAQs available on the Settlement Website: <https://lopezvoiceassistantsettlement.com/faqs>.

We have received both a Claim Form submitted by you directly and an exclusion request submitted on your behalf by Potter Handy related to the Lopez Voice Assistant Settlement. The Settlement Agreement does not permit you to submit both a Claim Form and an exclusion request.

Please promptly reply to this email by no later than **August 21, 2025**, to clarify your intention as to whether you: (a) only want to submit a Claim Form; or (b) only want to submit an exclusion request.

If you do not respond, your claim or exclusion request might be considered invalid and you might be forfeiting your rights under the Settlement.

You must include your choice **either** to make a claim **or** exclude yourself from the Settlement Class, but not both, in your response to this e-mail. For more information on claims and requests for exclusion, please see Question Nos. 7-9 and 18-20 of the FAQs available on the Settlement Website: <https://lopezvoiceassistantsettlement.com/faqs>.

Subject: Lopez Voice Assistant Class Action Settlement

COURT-ORDERED CURATIVE NOTICE REGARDING CLASS ACTION SETTLEMENT

<<First Name>> <<Last Name>>
Claimant Identification Code: <<Notice ID>>
Confirmation Code: <<Confirmation Code>>

You are receiving this notice because a request to exclude you from a class action settlement reached with Apple Inc. (“Apple”) was submitted on your behalf by the law firm [Potter Handy, LLP and/or Kazerouni Law Group]. The class action lawsuit was brought on behalf of current or former owners or purchasers of a Siri-enabled iPhone, iPad, Apple Watch, MacBook, iMac, HomePod, iPod touch, or Apple TV (“Siri Device/Devices”) whose confidential or private communications were allegedly obtained by Apple and/or shared with third parties as a result of an unintended Siri activation. The exclusion request (also known as an “opt-out”) prevents an eligible member of the Settlement Class from receiving compensation from the Settlement but allows the individual to separately pursue a lawsuit or other action to receive compensation from Apple. The Court has determined that you may not have been properly and fully informed of your rights under the terms of Plaintiffs’ class action Settlement with Apple (including your right to receive compensation from the Settlement) when [Potter Handy LLP and/or Kazerouni Law Group] solicited your opt-out form to be excluded from this Settlement. Therefore, the Court has invalidated the opt-out form submitted on your behalf and has directed Angeion Group LLC, as the Settlement Administrator, to issue this notice.

You are being given a new opportunity to individually exercise your right to opt out of the Settlement, or to remain a member of the Settlement Class and seek compensation from the Settlement. You have 21 days from the date of this notice to individually and personally take action to decide whether you choose to opt out of the Settlement or if you choose to remain a member of the Settlement Class.

If, after reading this notice, you choose to remain a member of the Settlement Class and want to receive compensation from the Settlement, you must fill out and submit a Claim Form here: [add link], by [add date that is 21 days from date of notice].

On the other hand, if you decide that you still wish to opt out and exclude yourself from the Settlement Class, you need to submit an exclusion request directly to the Settlement Administrator by filling out the online form here: [add link] by [add date that is 21 days from date of notice]. If you opt out of the Settlement Class, you are not eligible for compensation from the Settlement.

If you do nothing, you will remain a member of the Settlement Class but will not be eligible to receive a payment from the Settlement.

Below is the Court-approved summary of the information concerning the Settlement and your rights.

* * * * *

If you owned or purchased a Siri-enabled device and experienced an unintended Siri activation during a confidential or private communication between September 17, 2014, and December 31, 2024, you should read this Notice as it may impact your legal rights

- **Why am I receiving this notice?**

You may be a member of the Settlement Class and may be entitled to receive a payment. You are a member of the Settlement Class if you are a current or former owner or purchaser of a Siri Device, you reside in the United States or its territories, and your confidential or private communications were obtained by Apple and/or were shared with third parties as a result of an unintended Siri activation between September 17, 2014 to December 31, 2024. Under the terms of the Settlement, you may be eligible to submit a Claim Form to receive a payment if the Court approves the Settlement and it becomes final.

- **What does the Settlement provide?**

Apple has agreed to pay \$95 million into a settlement fund. After deducting Court-approved attorneys' fees and expenses, Service Awards, and the costs of notice and settlement administration (including any taxes), payments will be made from the Net Settlement Amount to Settlement Class Members who submit a valid and timely Claim Form. Apple denies all of the allegations made in the lawsuit and denies that Apple did anything improper or unlawful. The proposed Settlement is not an admission of guilt or wrongdoing of any kind by Apple. For more information about how distributions will be made to Settlement Class Members, please visit www.LopezVoiceAssistantSettlement.com.

- **What are the expected payments?**

Settlement Class Members may submit claims for up to five Siri Devices on which they claim to have experienced an unintended Siri activation during a conversation intended to be confidential or private. Settlement Class Members who submit valid claims shall receive a pro rata portion of the Net Settlement Amount for a Class Payment up to a cap of \$20 per Siri Device. The amount available to Settlement Class Members will increase or decrease pro rata depending on the total number of valid claims submitted, and Siri Devices claimed. The final amount will not be known until all claims are evaluated. The plan of allocation is described in detail in the Settlement Agreement available at www.LopezVoiceAssistantSettlement.com. Depending on the total number of valid claims, this Plan of Allocation is subject to modification by agreement of the Parties without further notice to members of the Settlement Class, provided any such modification is approved by the Court. Note that as of [date], the Settlement Administrator estimates that due to the number of eligible claims, the payment per device will be approximately \$8.00.

- **How do I file a claim?**

In order to receive a payment, you must complete and submit a valid Claim Form by [date], 2025. You may submit claims for up to five Siri Devices. Claims may be submitted online at www.LopezVoiceAssistantSettlement.com by [date], 2025. The Claim Form requires that you confirm or update your current contact information and confirm the following under oath: from September 17, 2014 to December 31, 2024, (i) you purchased or owned a Siri Device in the United States or its territories and enabled Siri on that device, (ii) you experienced an unintended Siri activation, and (iii) the unintended Siri activation you experienced occurred during a conversation intended to be confidential or private.

You can access the Claim Form on www.LopezVoiceAssistantSettlement.com. Please use the Claimant Identification Code and Confirmation Code above when making a claim. Please follow the instructions on how to submit a Claim Form. You may elect to receive payment by physical check, electronic check, or Automated Clearing House (“ACH,” a/k/a direct deposit). If you do not complete and submit a valid Claim Form, you will not receive a payment.

For more information and to review the full notice, please visit www.LopezVoiceAssistantSettlement.com.

- **What are my other options?**

You can do nothing or exclude yourself. If you do nothing, your rights will be affected and you won’t get a payment. If you don’t want to be legally bound by the Settlement Agreement, you must exclude yourself from it by [date], 2025. Unless you exclude yourself, you will not be able to sue or continue to sue Apple for any claim arising out of or related to the claims in this case.

Because this is a curative notice regarding the Settlement, the deadline to object to the Settlement and the Final Approval Hearing date have passed. Objections to the Settlement, attorneys’ fees, and/or Service Awards and requests to appear were due by **July 2, 2025**. The Final Approval Hearing was held on **August 22, 2025, at 9:00 a.m.**, at the United States District Court for the Northern District of California, Oakland Courthouse, 1301 Clay Street, Courtroom 5 – 2nd Floor, Oakland, CA 94612.

More information about your options is in the detailed notice available at www.LopezVoiceAssistantSettlement.com, or you may contact the Settlement Administrator with any questions at **1-888-981-4106** or info@LopezVoiceAssistantSettlement.com or Class Counsel at:
