

IN THE SUPERIOR COURT OF CALIFORNIA, COUNTY OF LOS ANGELES

IF YOU WERE NOTIFIED OF DATA SECURITY INCIDENTS INVOLVING MINDPATH IN OR AROUND JANUARY 2023, YOU SHOULD READ THIS NOTICE. IT MAY AFFECT YOUR LEGAL RIGHTS.

A court authorized this notice. It is not a solicitation.

A settlement has been reached with Community Psychiatry Management, LLC (“Mindpath” or “Defendant”) in a class action lawsuit (the “Lawsuit”) alleging that an unauthorized third-party accessed Microsoft Office 365 (“O365”) business email accounts in March 2022 and July 2022 that stored personally identifiable information and protected health information of Mindpath patients (and other individuals) (“the Incidents”). Mindpath denies all allegations of wrongdoing.

You may be included in this settlement as a “Class Member” and entitled to receive Settlement Benefits if Mindpath identified you as being among those individuals potentially impacted by the Incidents, including all who were sent a notice of the Incidents. “California Settlement Subclass Members” are those Settlement Class Members who resided in California at the time of at least one of the Incidents.

Excluded from the Settlement Class are any judge presiding over this matter and any members of their first-degree relatives, judicial staff, Mindpath’s officers, directors, and members, and Persons who timely and validly request exclusion from the Settlement Class. A “Class Member” is any member of the Settlement Class. The criteria to be a Class Member are defined more fully in the answers to the Questions below. Together, all Class Members are collectively referred to as the “Class.”

YOUR RIGHTS ARE AFFECTED WHETHER YOU ACT OR DON’T ACT. READ THIS NOTICE CAREFULLY.

These rights and options — and the deadlines to exercise them — are explained in this Notice.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
Stay in the Class <i>Deadline to choose Settlement Benefits:</i> January 5, 2026	The parties to the Lawsuit have settled for \$3.5 million. If you received notice in or around January 2023 regarding the Incidents, you <i>are</i> a Class Member. Otherwise, if you received services from Mindpath before August 2022, you <i>may</i> be a Class Member. If you are a California Settlement Subclass Member to whom Mindpath provided notice of the Incidents in or around January 2023 to a California mailing address, you will automatically receive a California Statutory Payment of \$50, subject to adjustment based on a number of factors such as

	the number of individuals who submit a claim or otherwise receive payment from the Settlement. Receipt of additional benefits for California Settlement Subclass Members requires submission of a Claim Form. For all other Class Members, to receive Settlement Benefits, you must complete and submit a claim form to the Settlement Administrator. If you do not submit a claim by the Claims Deadline, which is 60 days after the Notice Deadline, and the last date for you to submit a Claim Form to the Settlement Administrator, you will not receive any Settlement Benefits. If you decide to stay in the Class, you will give up the right to sue Mindpath in a separate lawsuit related to the subject matter of the claims in the Lawsuit. The rights you are giving up are called the “Released Claims” and they are described in more detail in Section 1.24 of the Settlement Agreement available at www.MindpathSettlement.com. Unless you opt out of the class, as described in more detail in this notice, you will be part of the Class and will give up your right to sue Mindpath in a separate lawsuit related to the subject matter of the claims this settlement resolves, even if you do not choose to receive any Settlement Benefits.
Opt Out of the Settlement <i>Deadline: January 5, 2026</i>	If you decide to opt out of this settlement, you will keep the right to sue Mindpath at your expense in a separate lawsuit related to the subject matter of the claims this settlement resolves, but you give up the right to get Settlement Benefits from this settlement. This is the only option that allows you to sue, continue to sue, or be part of another lawsuit against Mindpath related to the subject matter of the claims in this Lawsuit. If you opt out of this settlement and the settlement is approved, you will no longer be represented by the lawyers who represent the Class, known as “Class Counsel.”
Object to the Settlement <i>Deadline: January 5, 2026</i>	If you do not opt out of the settlement, you may object to it in writing or by appearing at the final approval hearing on February 19, 2026. If the Settlement is approved by the Court following your objection, you may still be able to receive Settlement Benefits if you have provided the settlement administrator with the necessary information.

Go to a Hearing on February 19, 2026	You may ask the Court for permission to speak at the final approval hearing where the parties will request that the final approval order be entered approving the settlement. You may object to the settlement and ask to speak at the final approval hearing, and, if the Settlement is approved by the Court, you may still be able to receive Settlement Benefits if you have provided the settlement administrator the necessary information.

These rights and options—**and the deadlines to exercise them**—are explained in this Notice.

The Court overseeing this case still has to decide whether to approve the Settlement.

Basic Information

1. *Why was this Notice issued?*

A Court authorized this Notice because you have a right to know about the proposed settlement of the Lawsuit and all of your options before the Court decides whether to approve the proposed Settlement. This Notice explains the Lawsuit, the settlement, your legal rights, what benefits are available, and who can get them.

Judge Elaine Lu of the Superior Court of California, County of Los Angeles is currently overseeing this case and will decide whether to approve the settlement. The case is titled *Lowrey, et. al., v. Community Psychiatry Management, LLC, Case No. 24STCV30135*. The people who sued are called the “Plaintiffs.” The company they are suing is Community Psychiatry Management, LLC , and is called the “Defendant” or “Mindpath.”

2. *What is a class action?*

In a class action, one or more people called “Class Representatives” (in this case, Corina Lowrey, Christen Lynch, and Desislava Tsvetanova) sued on behalf of people who have similar claims. All these people are a “Class,” and each is a “Class Member.” One court resolves the issues for all Class Members, except for those who opt out of the Class.

3. *What is the Lawsuit about?*

This class action litigation arose from alleged data security incidents perpetrated upon Mindpath in March 2022 and July 2022, whereby an unauthorized third-party accessed Microsoft Office 365 (“O365”) business email accounts that stored the personally identifiable information of Mindpath patients and other individuals.

Mindpath denies all wrongdoing and asserts numerous defenses to the claims in this case. The proposed Settlement to resolve this Lawsuit is not an admission of guilt or any wrongdoing of any kind by Mindpath, and it is not an admission by Mindpath of the truth of any of the allegations in the Lawsuit.

4. *Why is there a settlement?*

The Court has not decided in favor of the Class or Mindpath. Instead, the Class Representatives and Defendant agreed to a settlement. This way, they avoid the cost, burden, and uncertainty of a trial and the people allegedly affected can get benefits. The Class Representatives and their attorneys think the proposed Settlement is best for all Class Members.

Who Is Included in the Settlement

5. *How do I know if I am part of the Settlement?*

The Court has decided that everyone who fits the following description is a Class Member, and is thus included in the settlement:

All Persons Mindpath identified as being among those individuals potentially impacted by the Incidents, including all who were sent a notice of the Incidents. Excluded from the Settlement Class are any judge presiding over this matter and any members of their first-degree relatives, judicial staff, Mindpath's officers, directors, and members, and Persons who timely and validly request exclusion from the Settlement Class.

"California Settlement Subclass" members are Settlement Class Members who resided in California at the time of at least one of the Incidents.

6. I'm still not sure if I am included in the Class. What should I do?

If you are still not sure whether you are included in the Class, you can visit the website at www.MindpathSettlement.com, call toll-free 1-866-402-4105, or write to the *Lowrey, et al., v. Community Psychiatry Management, LLC* Class Action Settlement Administrator to the address below for more information:

The Settlement Benefits

7. What does the Settlement provide?

The Parties to the Lawsuit have agreed to a \$3.5 million settlement. After deducting any Court- approved attorneys' fees and costs, Service Awards to the Class Representatives, and administrative and notice costs, Class Members will be eligible to receive Documented Losses, Lost Time, and either three (3) years of credit monitoring services or an Alternative Cash Payment (an estimated \$50 and subject to *a pro rata* increase or decrease based on several factors). In addition to the above Settlement Benefits, California Subclass Members will also receive a cash payment, currently estimated at \$50 but subject to pro rata adjustment ("the California Statutory Payment"), in recognition of their statutory claims including under the Confidentiality of Medical Information Act (CMIA) and the California Consumer Privacy Act ("CCPA").

8. What will I receive from the Settlement?

Other than the California Subclass Members (who will automatically receive the California Statutory Payment), the amount Class Members receive is dependent on their specific circumstances (*i.e.*, attested time, documented losses, etc.) and the evidence they provide the Settlement Administrator to support their claims for Settlement Benefits. However, all Class Members are eligible to receive three (3) years of credit monitoring services unless they elect to receive an Alternative Cash Payment. Please note that after all deductions and payments to Class Members have been made, any residual funds will be donated to the

National Alliance on Mental Illness (“NAMI”).

How to Get Settlement Benefits

9. How do I get Settlement Benefits?

If you received notice in the mail in or around January 2023 regarding the Incidents, you *are* a Class Member. Otherwise, if you received services from Mindpath before August 2022, you *may* be a Class Member. If you are a California Settlement Subclass Member to whom Mindpath provided notice of the Incidents in or around January 2023 to a California mailing address, you will automatically receive the California Statutory Payment. Receipt of additional benefits for California Settlement Subclass Members requires submission of a Claim Form.

For all other Class Members, to receive Settlement Benefits, you must complete and submit a claim form to the Settlement Administrator. If you do not submit a claim by January 5, 2026, you will not receive any Settlement Benefits.

10. When will I receive the Settlement Benefit(s)?

The Court will hold a hearing on February 19, 2026, to decide whether to grant final approval of the Settlement. Settlement Benefits will be distributed to Class Members after the Court grants final approval of the Settlement and any objections are overruled with finality. Please note the Court may elect to move the final approval hearing to a different date or time in its sole discretion, without providing further notice to the Class. The date and time of the final approval hearing can be confirmed at www.MindpathSettlement.com.

Claims Released by Class Members

11. What rights am I giving up to stay in the Class?

Unless you opt out, you will remain in the Class. If the Settlement is approved and becomes final, all of the Court’s orders will apply to you and legally bind you. You won’t be able to sue, continue to sue, or be part of any other lawsuit against Mindpath that is related to the subject matter of the claims in this Lawsuit. The rights you are giving up are called Released Claims, which are explained in Question 12.

12. What are the Released Claims and Released Parties?

Each member of the Class who has not timely requested exclusion from the Class, and each of their respective successors, assigns, legatees, heirs, and personal representatives, will be deemed to have released any and all claims, causes of action, damages, liabilities, costs, attorneys’ fees, remedies, or relief of any kind, that are based out of or relate to the same facts and claims alleged in the operative Complaint. This includes claims for negligence; breach of implied contract; breach of fiduciary duty; breach of confidence; unjust enrichment/quasi-contract; and violations of the California Constitutional Right to Privacy, the CMIA, the UCL, the California Customer Records Act, the CCPA, and the CLRA. Released Claims

do not include any claims unrelated to the facts alleged in the operative Complaint, any claims of Settlement Class Members who validly exclude themselves from the Settlement Class, or any claims to enforce the terms of this Settlement Agreement. This release is not intended to serve as a waiver under California Civil Code § 1542, and no such waiver is made on behalf of the Settlement Class, except for the Representative Plaintiffs who may waive such rights solely with respect to their individual claims as reflected in the Final Approval Order.

The Released Parties are Mindpath and each of its past, present, and future parents, subsidiaries, divisions, affiliates, predecessors, successors, and assigns, and its past, present, and future directors, officers, employees, agents, insurers, shareholders, owners, attorneys, advisors, consultants, representatives, partners, joint venturers, independent contractors, wholesalers, resellers, distributors, retailers, and the predecessors, successors, and assigns of each of them.

The Release Period extends from the earliest date of the Incidents (March 2022) through the date of Preliminary Approval.

Opting Out of the Settlement

If you want to keep the right to sue or continue to sue Mindpath at your expense for any claim related to the subject matter of this Lawsuit, and you do not want to receive any Settlement Benefits from this settlement, you must take steps to get out of the Settlement. This is called opting out of, or excluding yourself from, the Settlement.

13. How can I request to opt out of the Settlement?

To opt out, you must send a letter with the following information:

- Your full name, address, and telephone number;
- A statement that you wish to opt out of the Class in *Corina Lowrey et al., v. Mindpath Health*, No. 24STCV30135; and
- Your original signature.

You must mail your signed opt-out request to:

Mindpath Data Incident
Attn: Opt Out
P.O. Box 58220
Philadelphia, PA 19102

Your opt-out request must be postmarked no later than January 5, 2026.

14. If I opt out, can I still get benefits from this settlement?

No. If you opt out, you are telling the Court that you don't want to be part of the Class in this settlement. You can only get Settlement Benefits if you remain in the Class. See Question 9

for more information.

15. If I do not opt out, can I sue Mindpath for the same claims later?

No. Unless you opt out, you are giving up the right to sue Mindpath regarding any claims that are related to the subject matter of the claims in this Lawsuit. You must opt out of this Lawsuit to have the ability to start or continue with your own lawsuit or be part of any other lawsuit against Mindpath related to the subject matter of the claims in this Lawsuit.

The Lawyers Representing the Class

16. Do I have a lawyer in this case?

Yes. The Court appointed the following attorneys to represent you as Class Counsel:

Nicholas A. Migliaccio, Jason S. Rathod, and Saran Q. Edwards
MIGLIACCIO & RATHOD LLP
412 H Street NE
Washington, DC, 20002

Thiago Coelho
WILSHIRE LAW FIRM, PLC
1055 Wilshire Blvd., 12th Floor
Los Angeles, CA 90010

Laura Van Note
COLE & VAN NOTE
Laura Van Note
555 12th Street, Suite 2100
Oakland, CA 94607

You do not have to pay Class Counsel out of your own pocket. If you want to be represented by your own lawyer and have that lawyer appear in Court for you in this case, you may hire one at your own expense.

17. How will Class Counsel be paid?

Class Counsel may ask the Court for an award of attorneys' fees and costs, as well as Service Awards to the Class Representatives. Class Counsel will move for both the Service Awards and for attorneys' fees and costs, and the Court will determine the amounts to be awarded. The attorneys' fees requested are 33.33% of the overall Settlement amount, or \$1,166,666.67. The requested costs will not exceed \$35,000. Representative Plaintiffs will request Service Awards of \$5,000 each, for a total of \$15,000 to be deducted from the overall Settlement amount. All of these amounts, as well as the administrative and Notice costs associated with the Settlement (which will not exceed \$202,900), will be paid from the \$3.5 million that the Parties settled for before making payments to Class Members. Mindpath reserves the right

to object to any motion, including for Attorneys' Fees and Costs, or Service Awards filed by Class Counsel. A copy of Class Counsel's motion for Attorneys' Fees and Costs and for the Class Representatives' Service Awards will be available at www.MindpathSettlement.com.

18. May I get my own lawyer?

If you are in the Class, you are not required to hire your own lawyer because Class Counsel is representing you. However, if you want your own lawyer, you may hire one at your own expense. If you opt out of the Settlement, you will no longer be represented by Class Counsel once the Settlement is approved.

Objecting to the Settlement

19. How can I tell the Court that I do not like the Settlement?

If you are a Class Member, you can tell the Court if there is something about the Settlement that you do not like by submitting an objection. You can't ask the Court to order a different settlement; the Court can only approve or reject the proposed Settlement. If the Court denies approval, no benefits will be rendered, and the Lawsuit will continue.

You may object to the Settlement in writing by sending written notice to the Settlement Administrator. All written objections and supporting papers are encouraged to (a) clearly identify the case name and number (*Lowrey, et al., v. Community Psychiatry Management, LLC*, No. 24STCV30135); (b) include your full name, address, telephone number, and email address of your attorney (if you are represented by counsel); (c) state the grounds for the objection; (d) be mailed to the Settlement Administrator at Mindpath Data Incident, c/o Objection, P.O. Box 58220 Philadelphia, PA 19102; and (e) be postmarked on or before January 5, 2026.

You may also appear and request to make an objection at the final approval hearing before the Court on February 19, 2026, either in person or through your lawyer, if you choose to retain your own lawyer. The Court may elect to move the final approval hearing to a different date or time in its sole discretion, without providing further notice to the Class. The date and time of the final approval hearing can be confirmed at www.MindpathSettlement.com.

20. What is the difference between objecting and opting out?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class (and do not opt out). Opting out is telling the Court that you don't want to be part of the Class. If you opt out, you cannot object because the Settlement no longer affects you.

The Court's Final Approval Hearing

The Court will hold a hearing to decide whether to approve the Settlement. You may attend and

you may ask to speak, but you don't have to.

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a final approval hearing on February 19, 2026, at the Spring Street Courthouse, Department 9, 312 North Spring Street, Los Angeles, CA 90012. At this hearing, the Court will decide whether to approve the Settlement, Class Counsel's request for attorneys' fees and costs, and any Service Awards to the Class Representatives. If there are objections, the Court will consider them. The Court may elect to move the final approval hearing to a different date or time in its sole discretion, without providing further notice to the Class. The date and time of the final approval hearing can be confirmed at www.MindpathSettlement.com.

If the Court approves the Settlement and enters judgment, the notice of judgment will be available on the Settlement Website at www.MindpathSettlement.com.

22. Do I have to come to the final approval hearing?

No. Class Counsel will answer any questions the Court may have. However, you are welcome to come to the final approval hearing at your own expense. If you send an objection by mail, you do not have to come to Court to talk about it, but you may do so if you like. You may also pay your own lawyer to attend, but that is not necessary.

23. May I speak at the final approval hearing?

You may ask the Court for permission to speak at the final approval hearing.

If You Do Nothing

24. What happens if I do nothing at all?

If you are a Class Member and you do nothing, you will give up the rights explained in Question 12, including your right to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Mindpath related to the Lawsuit or for claims that in any way are related to the subject matter of the claims in this Lawsuit. You will not receive any Settlement Benefits unless you are a California Settlement Subclass Member to whom Mindpath provided notice of the Incidents in or around January 2023 to a California mailing address, in which case you will automatically receive a California Statutory Payment of \$50.
