SUPERIOR COURT OF CALIFORNIA
COUNTY OF SAN DIEGO
CENTRAL COURTHOUSE

TENTATIVE RULING

HEARING DATE: 8/28/2026

JUDICIAL OFFICER: CAROLYN M. CAIETTI

CASE NO.: 25CU048774C

CASE TITLE: Orrantia vs SVDP Management Inc

Plaintiffs' unopposed Motion for Preliminary Approval of Class Action Settlement is **CONTINUED** to October 16, 2026, at 10:30 a.m. in Department 70.

For the motion, there is no verified information regarding the estimated settlement administration expense, nor an explanation as to why this expense is not included in the class notice. Presumably, this cost is high in light of the number of class members and the opt-in process. (See, Cal. Rules of Ct., rule 3.766(b)-(c).) The settlement administration costs should also be included in the notices.

The Class Notices also include errors as it states several times that the service awards are $3,000 and not $5,000 each. (E.g., ROA 48 – Declaration, at Ex. 1, Ex. B [p. 58 PDF], Ex. C [p. 62 of PDF], Ex. D [p. 65 of PDF].)

Plaintiffs are ordered to file and serve any further declarations addressing these issues and provide copies of the revised notices by October 2, 2026.

The Court did not receive a courtesy copy of the motion as required by Department 70's Policies and Procedures. Plaintiff is ordered to provide a courtesy copy of the motion (and any additional declarations) by October 2, 2026, as well.
