**Your Settlement Payment** may be up to \$100.00 for your Verizon account, but the final amount may be lower depending on how long you were a Verizon subscriber and how many Settlement Class Members file valid claims. Specifically, there will be an initial minimum allocated amount of \$15.00 for your account plus \$1.00 for each month your account received postpaid wireless or data services from Verizon and was charged and paid an Administrative Charge and/or an Administrative and Telco Recovery Charge between January 1, 2016 and November 8, 2023, up to a maximum initial allocated amount of \$100.00. If the Settlement Fund is not sufficient to pay all the filed valid claims after deducting any Court-approved amounts for the cost of settlement administration, attorneys' fees and costs, and incentive awards to the class representatives, then the payments made to the Settlement Class Members who filed valid claims will be decreased from the initial allocated amount on a pro-rata basis.
